

Star of Space 264

Chapter 264 It's Lin Changhong's fault

"how's it going?"

Lin Caisang asked immediately when he saw him coming out.

"Ask my father to pull the bullock cart over. The injury is too serious." Lin Changfeng said and walked towards Lin Baiyi. The two of them murmured a few words, and Lin Baiyi hurried away.

"Mom, mother, please listen to my explanation... Oops, it's really not my fault. What that kid did was so irritating, and I had no choice but to discipline him... Ah! Stop hitting, stop hitting."

Liu Baixiao was holding his head while running in the yard, explaining that his behavior was only for the good of his children. His mouth was full of screams, but everyone felt very happy.

"You discipline him?"

Lu Qiubo chased after him with a stick, occasionally hitting him a few times while cursing breathlessly.

"Okay then, I will settle the score with you today for all the bastard things you have done over the years. I will also discipline you and I will beat you to death for this vicious evildoer!"

It was reasonable to beat her son like this. If she didn't teach him a lesson today, he would have thought that no one in the world could control him!

"Mother, mother, please stop fighting."

Liu Baixiao saw that he couldn't hide, so he rushed behind Liu Rumei and used his wife to block Lu Qiubo.

"ah!"

When Liu Rumei saw the stick in Lu Qiubo's hand, she was so frightened that she screamed. She wanted to run away, but Liu Baixiao grabbed the clothes on her back tightly and couldn't escape.

"No, don't hit me. It's none of my business. It's not my fault."

She held her head in her hands and shook her head desperately, forgetting everything about tonight.

"Liu Baixiao, aren't you capable? Come out here and see if I don't beat you to death!" Lu Qiubo stared at Liu Rumei and Liu Baixiao with a maniacal look and said viciously.

"laugh."

On the side, Lin Caisang sneered and looked at Liu Baixiao's look.

Such a man is only suitable for a vicious-minded woman like Liu Rumei. He actually uses women as a cover to protect himself from harm. Whoever marries such a person will be unlucky.

"If it weren't for my grandfather's sake, I really want to drive him out of the village!" Lin Changhong also stared at Liu Baixiao with disdain and said through gritted teeth.

The Lin family had all been embarrassed by Liu Baixiao, but Liu Baixiao still thought how capable he was and what incredible things he had done.

"Mom, it's really not my fault."

Liu Baixiao's whole body was in pain, so he only dared to pop up a head behind Liu Rumei and gritted his teeth to explain.

"It's Liu Yushui, it's Yushui. She told me that the boy secretly hid food in the room. That's why I was angry. It was that girl. She didn't know who she heard saying that Lin Changhong had sent food to that

boy... ...This is all Lin Changhong's fault. Why did he give that boy food for nothing? If it hadn't been for Lin Changhong, I wouldn't have beaten that boy."

He stretched out his hand and pointed at Lin Changhong who was standing at the door of Liu Chushui's house, and glared at him angrily. If it weren't for this brat, how could he have been beaten like this? It hurt him to death.

However, as soon as he stretched out his hand, he was hit by Lu Qiubo with a sap.

"Ouch!"

Liu Baixiao felt pain and quickly took his hand back. He let go of Liu Rumei with his other hand and rubbed his arm vigorously.

As soon as Liu Rumei was free, she leaned forward and sat down, but she also knew that she had to crawl to the side quickly to avoid being caught by Liu Baixiao anymore. At that speed, her hands and feet were not enough. She wished she could have a few more hands.
