

Star of Space 267

Chapter 267 If he doesn't obey anyone, then he obeys Liu Baixiao!

When my father Hong heard about this, he took some food from his home and secretly stuffed it through the window to Chu Shui, fearing that he would be starved out.

As she said that, she stared at Liu Baixiao with uncontrollable heart.

"Liu Baixiao, is this really happening?" Chief Lin looked at Liu Baixiao and asked.

"This this....."

Liu Baixiao was so anxious that he wanted to slap his mother on the face.

"Patriarch, how can this be possible? It's because that boy was disobedient that I..."

"Why are you disobedient? Did he disobey you and have something to do with our Lin family? Or did I give him food and he gave it to you without any leftovers?" Lin Changhong took a step forward and asked Liu Baixiao sternly.

"Isn't it just because I brought Liu Chushui food that you beat him so hard that he couldn't even get out of bed? If Uncle Liuzi hadn't happened to meet him, Liu Chushui would have been beaten to death by you."

"I....."

Liu Baixiao gritted his teeth. Seeing that so many people were questioning him, this matter could no longer be fooled, so he simply became angry and yelled at Lin Changhong.

"I just want to kill that disobedient thing. Don't think I don't know. Liu Chushui gave all the money he had to your family, didn't you? Huh, Lin Changhong, if you know the truth, just hand over the money. Otherwise, I'll kill that bastard today! Let's see if you still have the guts to spend that money!"

Lin Caisang: "..."

Everyone was in a daze: "..."

Is this person sick? Imagination is really rich.

"Liu Baixiao, are you crazy? What kind of money? You are really good at pointing out the black and white. When did we take your money?"

Lu Qiubo was extremely angry and roared.

"In the past few years, you are the only family that has been like vampires, coming to my house every now and then to get this and that. But I haven't even taken a single coin from your house. If you continue to talk nonsense, I will ask the patriarch to drive you out of the village and never leave. Want to come back again!"

"laugh."

Liu Baixiao sneered and looked at Lu Qiubo with disdain.

"Who are you bluffing, you damn old woman? If I hadn't been working as a cow and horse in the Liu family for so many years, giving you food and drink, you would have starved to death a long time ago, and you would still be as prosperous as you are now. Lin Caisang, a little bitch, can't buy it." The money in Menghuang Mountain was squeezed out of me.

The money I have given you over the years has ranged from a thousand to a few hundred taels. I tell you, hand over the mountain deed as soon as possible, or I will go to the county government to sue you, so that you can walk around without money. "

Hearing such words, not only the Lin family, but also the Lin clan leader was shocked. He would not accept this effort to confuse right and wrong, but Liu Baixiao!

"you--"

Lu Qiubo was so angry that she almost fell down. Fortunately, Lin Caisang beside her helped her.

"Grandma, what are you doing to get angry with him? It's not worth it." She comforted Lu Qiubo and turned to look at Liu Baixiao.

"Liu Baixiao, you go and file a complaint. We are all waiting. Do you want to go now? Just in time, I will ask the clan leader and everyone to send your family out of the village, and you can go to the county. You can kill two birds with one stone."

"Well."

Liu Baixiao choked at her words.

This was to ask Chief Lin to drive his family out of the village. He suddenly came to his senses and looked at Chief Lin in horror. Sure enough, he saw Chief Lin frowning and glaring at him.

"Sang Sang is right. Since this guy is disobedient, why not just drive him out of the village? It will also restore the peace in the village." Patriarch Lin glanced at Liu Baixiao faintly, then looked at Lu Qiubo, and spoke.
