

Star of Space 270

Chapter 270 When can I kill you?

Not to mention Liu Qingshui, he had been hiding secretly since Chief Lin came over.

"The child in my belly is the great-grandson of Old Master Zhou. If you dare to harm him, Old Master Zhou will not let you go!" Liu Yushui swallowed in fear, fearing that he would be dragged to the sinking pond, so he had to take out Zhou. The old master came to embolden himself.

"Lin Caisang, don't try to deal with me. My child belongs to brother Zhou Liang. If he knows that you killed his son, he will not let you go. Do you think that you will like him if you kill me?" Are you there? Stop dreaming!"

Turning around, she looked at Lin Caisang again.

"Do you think they dare to do anything to me? Tell you, they don't dare, they don't dare to do anything to me, your plot will not succeed! Haha.

As she said this, she laughed, thinking she had everyone figured out.

Patriarch Lin and everyone looked at Liu Baixiao's family, everyone looked like crazy people, and they could only shake their heads.

In some respects, Liu Yushui was right. The child she was carrying was indeed Zhou Liang's. Although she was unwilling to admit it, what if one day Old Master Zhou wanted to admit the child again on a whim?

No one knew what would happen in the future, and he couldn't offend Old Master Zhou and his family.

Just when he was feeling embarrassed, he heard Lin Caisang speak again.

"My plot, huh?"

Lin Caisang chuckled, raised his eyebrows at her, leaned down, and lowered his voice in Liu Yushui's ear.

"Liu Yushui, what about my conspiracy? At least I am dealing with the person I want to deal with. It is not like you who are so vicious that you even harmed your own brother. If a person like you is still alive in this world, he will I don't know how many people were killed!

So, Liu Yushui, you'd better die and die together with the unwanted child in your belly! "

"you--"

Liu Yushui was frightened by her words and looked back.

"Lin Caisang, you are so cruel!"

"Am I cruel? Am I better than you?" Lin Caisang asked her back with a sneer.

"Liu Chushui is still lying on the bed now. Your father said that it was you who filed the complaint against him. Otherwise, how could Liu Chushui be beaten like this?"

"Is it your fault?"

Liu Yushui glanced at the brightly lit room and chuckled.

"Lin Caisang, don't you know? Liu Chushui was beaten like this today. It's all your fault. It's all because of you!"

She stretched out her hand and pointed at Lin Caisang's face. She looked like a madman, laughing and crying at times. Everyone else in the yard wanted to stay away from her, for fear of being hurt by her sudden madness.

"If you hadn't offended Lin Caihe, would she have come to me eagerly and asked me when I would kill you? Haha, Lin Caisang, even Lin Caihe wants you to die. How can you say that you are a human being? What about failure?"

she said with a smile.

Hearing this, Lin Caisang's eyes sharpened.

She just guessed who had revealed to Liu Yushui the news that Lin Changhong had sent food to Liu Chushui, and she had a rough idea, but she still didn't hope that person would be Lin Caihe.

Unexpectedly, she just used harsh words to deceive Liu Yushui, and then defrauded Lin Caihe.

"So, the news that my eldest brother sent food to Chu Shui was also revealed to you by Lin Caihe?" she asked.

"certainly."

Liu Yushui nodded. At this time, she had nothing to hide. Anyway, she was willing to fight. Whoever wanted to drive her out of this home, she would fight to the death.
