

Star of Space 272

Chapter 272 His surname is Lin

'Snapped! Snapped! '

Before he finished speaking, everyone saw Lu Qiubo jumping off the bullock cart in anger and slapped him twice on the left and right.

"You evil beast, you still dare to be arrogant. Chu Shui will have nothing to do with you from now on. His surname is Lin and he is not from your Liu family!"

"What? How is this possible?!" Liu Baixiao screamed.

He also wanted his surname to be Lin, so that he could go to the Lin family to eat and drink hot food in the future. How could he take advantage of Liu Chushui, a stinky boy?

"Mom, no, you have to recognize your grandson and Qingshui. You take Qingshui home and leave this thing behind. Qingshui, Qingshui, come here quickly, your grandma wants to take you... ah!"

Before he could finish shouting, Lu Qiubo raised his foot and kicked him in the leg.

"Go away, if you let me see you next to my door again, I will ask Sangsang to bring down the she-wolf on Menghuang Mountain and bite you to death!" After saying that, she turned around and got on the bullock cart, and the family left. .

"Patriarch, I'm sorry to trouble you today, but I'm asking you to make this trip so late." Lin Caisang and Lin Changhong stayed and said a few words to the patriarch.

"Sang Sang, what you said is untrue." Chief Lin smiled cheerfully.

"I still have to trouble the clan leader and write Lin Liuchushui's name according to my grandma's wishes... and write it under my father's name. From now on, Lin Chushui will be the younger brother of me and my eldest brother, and has nothing to do with the Liu family.

Lin Caisang glanced sideways at Liu Baixiao and said.

"Lin Caisang, what are you talking about? How dare you!" When Liu Baixiao heard this, he thought this was serious and raised his hand to hit Lin Caisang to tell her not to talk nonsense.

"Go away."

Lin Changhong stretched out his hand and blocked him directly, almost causing him to fall to the ground.

But how could Liu Baixiao be willing to do so? Even if he wanted to go to the Lin family, it should be Liu Qingshui. How could it be Liu Chushui who had always been at odds with him? He immediately looked at Patriarch Lin.

"Clan leader, Liu Chushui is my son. You can't let them take advantage of it for nothing. You have to make the decision for me. He..."

"He is your son. Where is the genealogy written?" Patriarch Lin looked up at Liu Baixiao and asked.

"Well!"

Liu Baixiao choked at his words.

What kind of genealogy is it? Their whole family has been kicked out by the Liu family. Even if it was on the Liu family's genealogy before, now I'm afraid that the page of their family has long been torn out.

What's more, no matter how much he tried to please the old man of the Liu family over the years, that dead old man just refused to put his name on the family tree.

How could his children be on the family tree? Even Liu Qingshui and Liu Yushui, Liu Rumei coaxed her father to write them unwillingly in the past few years.

Liu Chushui's name has never been listed in the family tree!

"Sang Sang, it's getting dark now. Ask your elder brother to accompany you home. I'll ask your grandpa tomorrow about what you said. If he agrees, I'll do it. "

Patriarch Lin said something to Lin Caisang and prepared to leave.

Lin Caisang grinned her red lips slightly, glanced at Liu Baixiao, who had his mouth open but was completely regarded as a transparent person by everyone, and followed Lin Changhong away.

"You...come back, that's my son!" Liu Baixiao was furious, but he had no choice because he was unwilling to pay attention to him. In the end, he could only turn his head and look at Liu Yushui bitterly.

"It's all you, the troublemaker, I..."

"Baixiao, you can't hurt Yu Shui. Our family wants Yu Shui to give birth to a fat boy, so that the Zhou family can be willing to marry Yu Shui and our family can hope to return to the Liu family."
