

Star of Space 273

Chapter 273 I'll beat you to death, you bastard!

When Liu Rumei saw that he was about to hit Liu Yushui, she quickly stepped forward to protect her, completely forgetting how she hit Liu Yushui's daughter before.

Liu Yushui looked at the couple coldly and sneered in her heart.

Today she finally saw clearly that no one could be trusted by her father or mother. From now on, she would have to rely on herself, alone! Even if she has money and becomes the wife of the Zhou family, she will never pay attention to these two old people again!

...

Lin.

As soon as the oxcart entered the yard, Lin Laogeng, who was sitting in a wheelchair, was pushed by Lin Caiqing and Lin Changyi and anxiously came to the side of the oxcart.

"What's going on here?"

It didn't matter that he saw Liu Chushui lying on the bullock cart, but why was his old woman sitting on the bullock cart panting, as if she was very angry? Could it be that Liu Baixiao made his mother angry again?

After hearing his question, Lu Qiubo didn't answer, pushed away Yang Lin who was supporting her and jumped off the bullock cart.

"Where's He Girl? He Girl..."

She wanted to settle the score with Lin Caihe, that stinky girl who cheated on her and wanted to kill her cousin. She had never seen such an ungrateful and stubborn little girl.

By chance, Lin Caihe heard the noise and walked out slowly from his room.

"Grandma, you're looking for me. What's the matter?"

Did Liu Yushui tell Grandma all the bad things Lin Caisang had done after hearing the bitterness she had told her, so Grandma felt sorry for her and wanted to comfort her?

That would be great, she would finally be able to make her mark.

Unfortunately, her sweet dream had not yet come true. When Lu Qiubo saw her, he rushed towards her furiously. The next second, as everyone expected, several ear-scratches hit Lin Caihe's face.

"Grandma, you...you hit me?"

Lin Caihe stared blankly at Lu Qiubo who was beating her. She was so frightened that she didn't even cover the pain with her hands. She was so excited when she heard Lu Qiubo calling her just now, and now she is so frightened. Tears were rolling in her eyes. Didn't fall.

Lu Qiubo is her grandma. Although the grandma is the head of the family, she also knows that Lu Qiubo, the grandma, is the one who can take charge and be the stern master. But no matter how strict or angry Lu Qiubo is, he will not have beaten these grandchildren.

To be able to make her angry like this today shows that she has aroused public anger.

Moreover, she looked at the other people who had just come in from the outside with tears and confusion, but no one said a word for her.

"I'm going to beat you, Lin Caihe. I really want to beat you to death, you wolf-hearted thing!" Lu Qiubo gritted his teeth and glared at Lin Caihe, saying hatefully.

On the way back just now, she had been thinking about when her granddaughter became like this, but as she thought about it, she discovered that Lin Caihe's temperament had not changed since she was sensible.

Her selfish temperament was actually nurtured by her elders!

"Old woman, what are you doing?"

Lin Laogan was also confused by his old wife's attack, but he also knew that Lu Qiubo had always been measured and would not hit anyone casually, let alone his own granddaughter.

"Third brother, He girl did something wrong. Look, your mother is so angry."

He looked at Lin Baiyi and Yang Lin and asked.

Hearing his father's question, Lin Baiyi felt ashamed and turned his head away without speaking. Yang Lin also stared at his unfulfilled daughter with an ugly face.
