

Star of Space 276

Chapter 276 Lin Caisang, it's all you!

"you....."

Lin Laogong opened his mouth, but found that he was suddenly blocked by the four words Lin Caihe and could not speak any more.

No matter how nice he was to talk to this granddaughter, it seemed to be of no use. She just believed that Sangsang had stolen everything from her. It was the first time that he had seen such an unpredictable temper.

"Forget it, no matter how much I tell you, it's useless. As for the third child, take her back and let her think about it in her room."

He estimated that this child was not someone who could think clearly, but now was really not the time to care about Lin Caihe. He looked at the pale Liu Chushui on the oxcart.

"Third brother, Changfeng, look at where to put this child first? We need to find a doctor quickly, but we can't delay.

"Go to my room?"

Lin Changfeng said immediately.

Although several people in the family live in one room, if something like this happened, and it was his sister who caused it, he couldn't push people into Chang Hong's room, leaving Chang Yi with a child and Liu Chushui with one child. Who can rest assured if the injured live together?

It was just his room.

"good."

Lin Baiyi answered without thinking.

"Third uncle, take Chu Shui to my brother's room. Brother Changfeng wants to study. How can he be disturbed? Put it in my brother's room. My brother can also take care of it. It will be convenient for everyone to take care of him."

Just when Lin Baiyi and Lin Changfeng were about to help the person into the room, Lin Caisang and Lin Changhong walked into the yard, and Lin Caisang said quickly.

Liu Chushui was a patient, and his injuries were unclear. He had to take care of the injured who came in and out countless times. How could he be placed in Lin Changfeng's room? So he had to stop reading any books?

"Yes, just leave it..."

"Lin Caisang, it's all you!"

Just as Lin Changhong was about to respond, he heard a familiar roar coming from the yard. Before Ichika could react, a black figure quickly rushed over and directly hit Lin Caisang beside him.

"ah!"

Lin Caisang was unprepared and was knocked directly against the courtyard door that was opened inward. With a creak, the courtyard door moved backwards. She could not stand firm, and her right face scraped against the bamboo courtyard door and she fell on it. on the ground.

"Lin Caihe!"

Everyone was shocked and did not react at all. When they reacted, Lin Caisang had already fallen to the ground.

Lin Changhong roared angrily, pushed Lin Caihe away and rushed to his sister's side.

"Sangsang, Sangsang, how are you?"

"hiss!"

Lin Caisang felt a burning pain on the right side of his face, and knew that it was scratched by the barb on the courtyard door, but he still stood up with support and shook his head.

"it's okay no problem."

"She said she was fine, but this is all..." Lin Changhong looked at the injuries on his sister's face with distress. Half of her face was covered with cuts made by the sharp bamboo, and blood beads popped out.

"There is some medicinal powder in my room. You can just take it out and apply it on me. It's a minor injury."

Lin Caisang said nonchalantly.

"Okay, I'll get it." Lin Changhong hurried to Lin Caisang's room.

'Snapped! '

Yang Lin couldn't bear it anymore and rushed forward and slapped Lin Caihe.

"Lin Caihe, are you crazy?"

"I'm not crazy, you are crazy!" Lin Caihe pointed at everyone, jumped to his feet and roared.

"It's you, it's you who are crazy. Every one of you lunatics take Lin Caisang, a vixen, as a treasure. What's so good about her? She eats more and does less than a pig every day, especially the whole Everyone looks like a pig, why do you still care about her?"
