

Star of Space 282

Chapter 282 I accept you as my brother

"How many people have you arranged around me?" she asked, frowning.

She knew that Ya Molian was trying to protect her. After all, the Liu family was now in Yacun, and she was worried about her own safety.

But being followed like this makes her feel uncomfortable, not to mention... she will enter the Jinzhu space at any time. If someone finds her disappearing in a 'whoosh' one day, they must think that she has flown into the sky.

"Not much. I know you don't like to be followed, so I asked Chang Hong." Ya Molian said.

Without any hesitation, he directly betrayed his future brother-in-law. Anyway, with his mouth, it wouldn't be a problem to take more blame.

Lin Caisang: "..."

It turned out to be her unreliable brother!

"Well, let him go to your place another day and accept you as his brother.

After thinking about it, she nodded solemnly and said as if she was a little breathless.

Who knew...

"good."

Yamolian actually agreed.

"Um?"

This time, Lin Caisang was confused by him.

Couldn't he see that she was just talking about it, just treating it like a little quarrel between the two of them, don't take it seriously.

Just when I opened my mouth to say something like, 'You think so, that's my brother! ', but unexpectedly a certain neighbor spoke again.

"Anyway, it's the same when I go to your house and mine. We will all be one family."

"Well.

Lin Caisang was so blocked that she felt so uncomfortable in her heart that she wished she could reach over with her paw and scratch his face.

"Are you going to heaven? Did you see the bull that was praised in the sky? That's you!"

"My pleasure!"

Ya Molian said with a smile.

Lin Caisang had nothing to do with him, so he could only smile and shake his head, "You have nothing to do, you still go out for a walk at night."

Hearing this, Ya Molian's eyes darkened again, and she stared at Lin Caisang's injured face. She still had the urge to beat someone up in her heart, but he was a man, and he was at a loss with a woman. gas.....

Forget it, he's not angry anymore.

"Come see you."

Tomorrow I asked Ban Jue to call Shi Jian back. He was a man and couldn't hit women, but he didn't say that he couldn't let women hit women. It was okay to let Shi Jian teach the blind Lin Caihe a lesson.

Although he didn't teach him the lesson himself, it still calmed his anger.

"Come to see me?"

Lin Caisang raised her eyebrows and rolled her eyes at him.

"Since you're so free, why don't you do me a favor?" she said.

"What's the deal?"

Ya Molian asked, but didn't wait for her to answer. He said it for her.

"Go and give Liu Baixiao a beating to vent your anger on Liu Chushui?"

She didn't want to express her own anger, but she wanted to show it to Liu Chushui, whom she had only met a few times. He really didn't know what to do with this girl.

"Aren't you happy?" she asked.

"How can I not be happy? It's just the injury on your face..."

Ya Molian was naturally happy, but considering that she had injuries on her face, she didn't want her to go outside to enjoy the cool breeze.

"That's not easy."

He took out a mask, put it on his face, and raised his eyebrows at him.

Ya Molian chuckled and shook her head, "Then let's go, but before we go... I have news to tell you. When you hear the news, you will see how far you want to beat that couple."

"What news?" Lin Caisang asked.

She has already inquired about most of the news related to Liu Baixiao and his family.

Could it be that the Zhou family agreed to marry Liu Yushui again, or did the old man of the Liu family want to take his daughter back again? Neither is possible, right?
