Chapter 284 If you lose it, come back and ask me for it again

After a while, Lin Caisang felt that he had vented enough, and directly put the stick in his hand into Liu Rumei's hand who was stunned, and winked at Ya Molian.

Ya Molian understood immediately, untied Liu Rumei's sleeping hole, and the two of them left quickly.

In the room, Liu Baixiao was so painful that he almost fainted. After a while, he regained consciousness. He slowly lifted the quilt covering his head and looked at his room in horror, thinking that someone wanted revenge. What is he?

But following the moonlight, he saw Liu Rumei beside him, holding a stick in his hand and sleeping soundly.

The next second...

"ah!"

"ah!"

Two screams sounded at the same time.

Liu Baixiao was so angry that he directly raised his foot and kicked Liu Rumei to the ground. He wanted to beat her hard to vent her anger, but unexpectedly, with a sudden movement, his whole body felt as painful as if he was being pressed by a huge stone, and he screamed immediately. stand up.

Liu Rumei, on the other hand, was kicked in the waist by Liu Baixiao, and then kicked out of bed and hit the corner of the table, causing her whole body to twitch on the ground in pain.

...

After coming out of Liu Baixiao's house, Lin Caisang's whole body was glowing, with a look of joy on his face. He even felt a little swaying about his body, and he was humming a little tune in his mouth.

"Don't wake up the people in the village when you turn around." Ya Molian reminded her funny.

He had never heard the tune that the little girl hummed before. It was really nice. But no matter how nice the tune was in the middle of the night, if someone heard it in other people's ears, they would think it was a ghost crying!

When Lin Caisang heard what he said, he suddenly felt bad and rolled his eyes at him.

"It's boring!"

She was happy that Liu Baixiao, the one who tortured him to death, let his family do what he did. Now that he couldn't deal with Liu Yushui, he couldn't deal with the two older ones.

"I forgot that there is Liu Qingshui, but forget it, there's nothing wrong with making him lively."

Liu Qingshui is a lazy person. Now that Liu Baixiao and Liu Rumei are injured, he and Liu Yushui are the only two people in the family who can move. He is definitely not willing to do it. Let Liu Yushui eat the pain of his family!

"You go back, I'm going to sleep."

He also sent her home. She really wanted to... run and lose weight.

"Um."

Ya Molian responded softly, turned around and prepared to leave.

Unexpectedly, Lin Caisang seemed to have thought of something again and opened her mouth to stop him.

"etc."

"Um?"

He paused on his feet and turned back to look at Lin Caisang.

"I almost forgot, here, this is for you."

Lin Caisang dug out from his arms and took out a purse-like bag, which was more delicate than ordinary purses, and handed it to him.

"This is....."

Ya Molian looked at her doubtfully.

As soon as he took it out of her purse, he could feel a fresh fragrance flowing directly into his heart and spleen, which made his whole body feel much better. Moreover, the suppression of blood that originally felt a bit dull and required his luck to resist at all times seemed to be relaxed. Quite a few.

"medicine?"

He took the purse into his hand and put it to the tip of his nose.

"Um."

Lin Caisang nodded.

He raised his free hand and scratched his forehead, and spoke in a somewhat tangled voice.

"Both of us have secrets. If you don't tell me and I don't want to tell you, we'll treat it as an even deal. However, I diagnosed the poison in you last time, so I know a little bit about it, but now I really don't have that ability. To detoxify you, the medicine in this purse is prepared by me and can suppress the toxicity in your body. Keep it with you. If you lose it, come back and ask me for it. "

she said.
