

Star of Space 293

Chapter 293 No mercy!

When raising ducks, at least she has to wait until the fish, shrimps and crabs in the water have a firm footing. Otherwise, if she raises a group of ducks, she won't be able to fish out anything in the water, and everything will end up in the ducks' bellies.

Yamolian: "..."

He gave the little girl a strange look and slandered in his heart: "Can you be more relaxed with your wording, you bastard..."

No matter how you recite it, it's not a good word.

"I'll get people to keep an eye on it."

But even though he felt weird in his heart, he still responded and promised to let people pay attention.

...

One month passed in the blink of an eye for Lin Caisang, but for another member of the Lin family, it was not so easy.

In the woodshed, Lin Caihe slept on a temporary bed. No matter day or night, she had not been able to leave the woodshed for the past month.

Lin Baiyi and Lu Qiubo had come in to chat with her several times before, wanting to hear if she had thought about it.

It's just that they were disappointed.

Not only did Lin Caihe not feel that she had done anything wrong, but she felt that all the unfair treatment she suffered at home was because of Lin Caisang.

This idea shocked Lu Qiubo and his son, and they agreed that if Lin Caihe was released, something bad might happen to the family.

Even Lin Laogeng, whose family has always valued peace, couldn't be more disappointed with this granddaughter. He thought it was not a bad thing to let her stay in the woodshed for a longer time. If he continued to indulge her like this, he would really be lawless.

"Old woman, go and call the third child to come to me, and I'll talk to him about something." Lin Laogeng stayed alone in the room for several days, thinking over and over again before he spoke to his old woman.

"Are you looking for the third child?"

Lu Qiubo glanced at him. Although it was a question, he still went out to find Lin Baiyi.

I think the reason why the old man in her family is looking for the third child at this time must be because of the unfulfilled granddaughter. Think about it, a living person can't be locked up in the woodshed all the time, he always has to come out to see others.

"I'll go find it right now."

Lin Laogan watched Lu Qiubo go out and sighed softly.

Soon, Lin Baiyi, who was carrying a piece of wood, came back, threw the piece of wood into the yard, casually wiped his hands on his clothes and went to Lin Laogan's room.

"Dad, are you looking for me?" he asked.

"Um."

Lin Laogan responded and glanced sideways at the stool next to him.

"Sit down first and let us have a good talk."

"Oh, oh oh."

Lin Baiyi nodded and sat down.

Although he is honest and honest, there are too many things happening at home these days. If he doesn't grow his head, he really won't be able to stay in this house. He already knows in his heart that his father is looking for him just because of Lin Caihe's affairs.

"Dad, I know that the matter of He Girl has put you in a difficult situation. This girl is really ignorant..."

"What do you think about He girl?" Lin Laogeng interrupted his apology and asked him.

Lin Caihe did those things and caused Lin Chushui to be like that. If he hadn't discovered it in time, maybe Sang Sang would have been killed again, and he wouldn't be the only one in trouble?

"I...I don't know either."

Lin Baiyi said with an embarrassed look on his face. He really didn't know what to do with this girl. If beating her and scolding her would help, he would definitely teach her a lesson without hesitation and show no mercy!

But is this useful?

"My mother and I also asked her a few days ago, but she...hey, if we really let her out, dad, do you think I can rest assured?"
