

Star of Space 31

Chapter 31 Is that you? still you?

"You...Mo Lian, you...are you awake?"

When the man saw Ya Molian waking up, it took him a long time to regain consciousness. He swallowed unconsciously and took a step back.

Ya Nian'er and Ya Sui'er also took a step back, lowering their heads guiltily and not daring to speak.

"Uncle Hai, I really can't tell that you still have such thoughts?" Ya Molian looked at the three people in front of him with a serious expression.

This Yahai can be regarded as the person who is relatively close to him in the village. He will always say hello when he meets him. However, he really did not expect that when he looked at the loyal and honest Yahai on weekdays, he would actually say hello. Will come up with such a way!

"This... this... Mo Lian, my Nian'er is a big girl who is as beautiful as a flower. There are so many people who want to come to our house to propose marriage to us as a flower in Ya Village. Uncle Hai thought about matching Nian'er. It's a good match with you, don't you think?"

Seeing that Ya Mo Lian had already heard his plan, Ya Hai asked him directly without being wordy.

In fact, in Yahai's heart, it was Yamolian who wanted to marry his daughter. After all, he wanted to marry his daughter to a better family before.

"Besides, you fainted on the field stalk just now. If Nian'er hadn't seen you and asked me to carry you back, you would have froze to death. You have to repay this life-saving grace, right?"

"Tian Jian, please? Really?"

Ya Molian raised her eyes and glanced at Ya Nian'er beside Ya Hai with a deep gaze.

"Did you save me on the field stalk?"

he asks.

"Yes, it is."

Ya Nian'er was so shocked by his glance that she almost fell to the ground.

Except for Ya Molian, she has never seen a man in the village who can scare her like this. Even from the Ya clan leader, she has never been afraid, and now... she really feels that Ya Molian is a man who is not easy to deal with. !

Her intuition told her that if she really listened to her father and did something to Ya Molian today, it would definitely not be that he married her, but that something happened to her alone!

"But, I didn't fall unconscious on the field stalk. Did you move me to the field stalk on purpose?"

Ya Molian got out of bed and stood up. She was already a head taller than Ya Hai. Coupled with her innate momentum, she directly suppressed the three of them. How could they dare to speak?

"What, not on the field stalk?"

Ya Nian'er was so frightened by him that her mind was in knots. When she heard what he said, it was as if she hadn't heard anything. She couldn't think at all, so she had to explain quickly.

But what could be explained? She was so scared that she ran away.

"No, it's not...I...I really saw you on the field stalk, I..."

"It's not you, Uncle Hai, then it's you? Or is it you?"

Ya Mo Lian withdrew her eyes from Ya Nian'er, first glanced at Ya Hai, and then glanced at Ya Sui'er.

"Mo...Brother Mo Lian, I'm sorry for...we...we didn't want to, we..." Yasuier took a step back again, stammering and not knowing what to say.

I felt extremely wronged. They were obviously the Yamolian found on the field stems. What was wrong?

"Mo Lian, no matter where you fainted, it's true that we saved you, right? Shouldn't you repay us a favor or two?" After all, Ya Hai was a few years older and was not completely impressed by Ya Mo. Lian's momentum was suppressed, but she still kept her mouth strong.

"I wasn't really saved by you, and you didn't really plan to frame me. Even if this matter is settled, from now on, stop hanging around in front of my house and get out!"

Ya Molian stared at Ya Hai with stern eyes and said.
