Chapter 328 Surprised

He raised his hand, patted his face, and tried to wake himself up. He couldn't be fooled because of this. He took a step back and said, she is only thirteen years old now, and Ya Molian's current behavior is definitely a disaster for the little seedlings!

...

Jian'an City, inside the eldest princess's mansion.

Because the girl who had just entered the mansion yesterday was assassinated in broad daylight, her life and death were unknown. Not to mention the eldest princess mansion, even the streets of Jian'an City were filled with panic.

The emperor personally visited the eldest princess's mansion and scolded his second son bloody.

The guards and maids in the eldest princess's mansion were immediately purged, and those who had some discrepancies in their words during the interrogation were all sent away. x°"~""°x

There was a cool breeze blowing in the mansion, and the little maids walking around were all cautious, fearing that a pit would fall from the sky and bury them.

When I came to the eldest princess's mansion, I saw a very unfamiliar environment. Because I was chased by the three people before, I didn't even have time to look at the surrounding environment. I just wanted to get rid of the people so that I could go to the Golden Pearl Space.

Thinking of yesterday, Lin Caisang felt a little strange. At that time, the first thing she thought of was not the Golden Pearl Space, but the Yamolian.

So after entering the Jinzhu Space, she went to the bamboo house without thinking. She wanted to see Ya Molian immediately. She just thought that if she saw him, she would be safe.

Lin Caisang sighed and turned his head to look at Ya Molian, who kept her eyes closed as she kept her promise.

"Brother Mo Lian, we're here, you can open your eyes."

This man is really honest enough. She didn't even tell him to close his eyes. Isn't he curious in his heart to see how she gets from one place to another?

"here it is....."

When Ya Molian opened her eyes, she was also surprised by the pavilions in front of her.

"The eldest princess's mansion." Lin Caisang said.

There was no way to hide it from him anyway. Even if she didn't tell, he would know where it was when he saw the people in the house later, so it would be better for her to tell it herself.

"Um?"

Hearing her words, Ya Molian was confused for a moment, as if he didn't understand what she meant.

But he soon understood. He raised his hand and focused on the forehead of the little girl in front of him who was causing trouble.

"You are so bold. How can you and I just come in to the Princess's Mansion?"

After that, without waiting for Lin Caisang's response, he hugged her directly into his arms and disappeared in a flash. When Lin Caisang opened his eyes again, the two of them were already on a street in Jian'an City. In the alley.

"You girl, what can I say about you? The mission you mentioned is to heal the eldest princess?" Ya Molian looked at her and asked.

Come to think of it, she must have gone to Hongling Town through this way before. No wonder he has been unable to match the time when she left Yacun and appeared in Hongling Town. So that's what happened.

"Um."

Lin Caisang nodded.

"I just accepted this mission, but I was deceived by three people yesterday before I even met the eldest princess. If I hadn't run fast, I would be a corpse now."

Yesterday was the biggest mistake she had ever made. Fortunately, she was somewhat skilled and had been practicing since arriving in this world. Otherwise, the consequences would have been disastrous.

Thinking of the scene yesterday when she saw Xiao Sangzi standing in front of her covered in blood, Ya Molian's face suddenly turned ugly. But before she could say anything, she heard the little girl next to her grinding her teeth. sound.
