

Star of Space 351

Chapter 351 Biting him like a mad dog

She was shocked. Why did she just go out early and come back late for a few days, and such a big thing happened at home?

He actually wanted to marry Lin Caihe!

"yes.

Lin Baiyi saw his niece asking questions and nodded to her.

"It's better for Girl He's marriage to be settled as soon as possible. If it's not settled, the girl might cause trouble at home. No, my third uncle has asked your mother-in-law Guihua to find a bride for Girl He."

They have no choice, otherwise they would never take this path.

Lin Caisang blinked and looked at Lin Laogan, then at Lin Baiyi and Yang Lin. They were still out of the situation.

"Third uncle, third aunt, have you told He'er about this? Can she agree?" After a long time, she asked.

"Marriage has always been the order of the parents. How can she disagree with the matchmaker's words?" Lin Baiyi said angrily.

Even if you don't agree, you have to agree. Haven't you seen the bad things Lin Caihe has done at home these days? It has been spread in the village for a long time. It is very difficult to find a marriage partner. Does she still want to pick and choose? ?

Lin Caisang naturally agrees with this. Regardless of whether she is a time traveler or not, this is the way the world is. If a girl's family wants to choose their husband, it is better to fly into the blue sky.

Even if a man wants to choose his favorite daughter-in-law, it is impossible. What parent can agree?

It was the parents who picked their favorite daughter-in-law and directly married their son. Naturally, she would not be stupid enough to be a maverick, not to mention that it was someone else's marriage, so it was hard for her to say anything.

"Then...which company has I ordered for He'er? Have you decided yet?" She hesitated for a moment and then asked.

"not yet."

Yang Lin shook his head, also looking worried.

"The news about your mother-in-law Osmanthus Guihua hasn't been received yet, it will probably take a few days."

But she also knew in her heart that if other girls in the village wanted to trouble Ya Guihua to propose marriage, they would not wait for a few days. They would only mention it on the first day. I picked it, Yahua Osmanthus is easy to talk about.

Now it was her He'er's turn, but she had waited for a long time but there was no news.

She was very anxious.

Lin Caisang frowned when he heard Yang Lin's words, and couldn't help but glance at Ya Molian beside him.

"Look what I do, it has nothing to do with me." Ya Molian saw her looking at her and immediately distanced herself from all relations.

If I had known, he wouldn't have stayed. Lin Caihe bit him like a mad dog before, and many people in the village saw it, but it really had nothing to do with him.

"I didn't say it had anything to do with you." Lin Caisang curled his lips.

It's just that Ya Guihua's surname is Ya and Ya Molian's surname is Ya, so she just looked at him one more time and had no other ideas.

"Maybe it's because we're approaching Ear Grain, and Grandma Osmanthus is a little busy at home. She'll be fine after a while. If it really doesn't work, let Grandma urge her." The housekeepers all looked bad, so she comforted her. .

To say goodbye to Lin Caihe, the family must have brought a lot of things to Ya Guihua.

As the saying goes, the mouth of eating people is short and the hands of taking people are short. Ya Guihua will not be unwilling, it is just a matter of how long it takes.

"Um....."

"What's the point of urging? Just let that girl know that she is lucky to be able to marry in the future." Yang Lingang wanted to answer, but Lin Baiyi took away the words.

They didn't want to arrange the marriage for Lin Caihe, but they still pressed for it. Didn't the Lin family lose their face?
