

Star of Space 366

Chapter 366 He is just unreliable!

It has been three days since Li Ya Mo Lian left, and it is already the morning of the seventh day.

Calculating time, Lin Caisang went to the eldest princess's mansion and gave the eldest princess the medicine that he had prepared before, which was a combination of three poisons: 'Hui Gang', 'Jubi' and 'Luowei'.

After closely observing the eldest princess for an hour and a half, and taking her pulse, she learned that the poison in her body had been fused and that there was no general change in the eldest princess's body, so she left with peace of mind.

Now, all we have to do is wait for Ya Molian to come back.

"I don't know what's going on with Brother Mo Lian."

From Jian'an City to the Jinzhu Space, she murmured thoughtfully.

"Yu Jing, tell me, why is it that there is nothing in this space of yours, and I am asked to find the medicinal materials myself? It would be great if you could become the medicinal materials.

She muttered to Yu Jing for a while, but unfortunately Yu Jing ignored her because Yu Jing couldn't answer this question.

Is there such a thing as a free lunch? Of course it's impossible.

"Forget it, I won't ask you anymore, I'd better go back and wait."

With that said, she went to her room in the bamboo house.

...

Bamboo house.

In Ya Molian's room, several people were walking back and forth. The embarrassed Ban Wu looked at Ban Jue who was also stained with blood.

"Exiled Jue, where do you think Miss Lin will go? There is no one at home. I have also looked around, but there is no one.

"How would I know?"

He was also anxious in his determination to banish. Seeing his own palace master who was unconscious on the bed covered in purple and blue, he could no longer hear what they were saying now.

"I'll look for it again."

"What are you looking for? That woman is unreliable!" Another person heard the conversation between the two of them and roared.

"You are reliable and you can treat him. Aren't you also a doctor? You are also a healer. You are helpless against the palace master's poison!" Ban Wu directly blocked him with one sentence.

"you--"

"Okay, what are you still arguing about here? You can go and find the banishment of Wu and Jue." The one who had been silent among the four finally couldn't stand listening anymore and ordered the two of them.

"Jiang Zuo, if you don't have the ability yourself, don't treat others as the same as you."

"I....."

Jiang Zuo looked at him with dissatisfaction.

"Jiang Li, how can I compare to that woman..."

"Don't call me Miss Lin as 'that woman'. Just because she can tell the difference between real and fake 'Jihe Ginseng', she is countless times better than you."

Jiang Li interrupted him, not giving him a chance to show off.

"If you are not as skilled as others, you should humbly ask for advice, instead of being jealous of talents and talents like you!"

Jiang Zuo: "..."

How can he be jealous? He was just worried because he couldn't find anyone.

You said that a good girl cannot stay at home and has to run around. Don't you know that the master of his family has gone through life and death for her? There is really no conscience at all!

"I'm going to find someone."

Ban Jue glanced at Jiang Zuo and Jiang Li, then turned around to find Lin Caisang.

However, when he raised his hand to open the door, he was stunned when he saw that the door of Lin Caisang's room was also opened at the same time.

"Miss Lin, have you been in the room the whole time?"

"Why are you back? You are all back, Yamolian?"

When Lin Caisang saw him, he didn't even have time to close the door and ran over.

"The poison in the palace master's body has broken out."

Ban Jue quickly tilted his body to make way for Lin Caisang to come in.
