

Star of Space 385

Chapter 385 Isn't It Annoying?

After all, Grandpa is a man. Even if he doesn't understand in his heart, he won't get angry immediately.

Lin Caisang, who came down from Menghuang Mountain and returned home, went directly to the kitchen. At this time, Lu Qiubo was picking vegetables in the kitchen, waiting for Lin Baiyi and Lin Changfeng to return from town.

"Grandma."

"Hey, Sangsang, you came back so early today?"

Hearing her granddaughter's voice, Lu Qiubo stopped what she was doing and looked at Lin Caisang. She thought Lin Caisang had gone to the mountains to look for medicinal materials, but she didn't expect that it was still early today and her granddaughter had already returned.

"Um."

Lin Caisang nodded.

"I have been searching for so many days and still can't find it, so I discussed with Brother Mo Lian that I won't look for it now and will see if I can find the medicinal material later.

"That's fine."

Lu Qiubo didn't take it seriously. Naturally, his granddaughter would do whatever she said.

"It's better not to go up the mountain. It's raining and the mountain is so dangerous. It's better to stay at home."

"Third uncle and Brother Changfeng haven't come back yet?" Lin Caisang asked.

"Nope."

Lu Qiubo shook his head, listening to the swishing sound of the rain outside.

"The road is more difficult on rainy days. It will probably take a while before we can come back. Look at what happened. After all this, I had to spend money on her outfit in the end. It's really..."

"Grandma."

Lin Caisang interrupted her.

"Where's third aunt?"

"She wanted to come to the kitchen to help just now, but I drove her back to the room. She was pregnant with the baby and didn't know how to rest. She didn't listen to me no matter how hard I tried to persuade her," Lu Qiubo replied.

"Third Aunt is upset and wants to do something to forget about the things on her mind." Lin Caisang said.

"Yeah, it's not annoying."

After hearing his granddaughter's words, Lu Qiubo also sighed.

"You see, your mother-in-law Guihua didn't have any confidence in what that girl did. This is..."

"Grandma, do you really think that the third aunt only cares about He'er?" Lin Caisang interrupted her.

Ever since Lin Caihe was sold by Liu Yushui, her grandma had remembered Lin Caihe. Whenever she was mentioned, she would grit her teeth and she didn't know how to persuade her.

"Then what else can happen?"

Lu Qiubo was stunned, turned to look at her, and asked.

Apart from Lin Caihe, who knew how to do things, what else could make the third child's family so worried.

"It's about Brother Changfeng." Lin Caisang said.

"Changfeng's matter, could he have..."

Lu Qiubo didn't expect it for a moment, but when he thought about what it was, he suddenly stopped talking.

"This is also a big deal. Changfeng is going to attend the Qiu Wei Festival. I guess your third aunt feels that she has no more money and is anxious. But the family only has so little money, what can you do."

She is also worried, but can she get money out of her worries? Of course it's impossible.

"Grandma, I have something to tell you."

Lin Caisang looked at her grandmother's twisted face and spoke carefully.

"What's going on?"

Lu Qiubo was still immersed in the sorrow of lack of money at home, so he asked casually.

"I want to separate the family."

"Oh...what?!"

Lu Qiubo, who was just nodding his head instinctively, suddenly came back to his senses after carefully recalling his granddaughter's words. He felt his hands loosen and all the dishes fell to the ground.

"Sangsang, what are you talking about? What do you want to do?!"

Did she not hear clearly, or did her Sangsang say it wrong?

"Grandma, I said, I want to separate the family." Lin Caisang said again.
