Chapter 398 Talking to you

Hearing this, Lin Caisang glanced at him lightly.

"Brother, do you think it would be a good thing for us if someone with Zhou Liang's character really gets admitted to the Juren Examination?" she asked.

"Well."

Lin Changhong choked at these words and was speechless.

"Since he is focused on Liu Yushui now, let him be."

Originally she wanted to cause some trouble for Zhou Liang, but now it seems that there is no need and Liu Yushui will do it.

"OK."

Lin Changhong nodded.

"Then you go to sleep. If I see them together again in the future, I will remember to cover them. 6"

With that said, he left.

Lin Caisang: "..."

He shook his head and chuckled helplessly.

As an eldest brother of hers, she really has no one. She is still covering for others. Isn't she afraid that the Zhou family will eventually find out and come to ask for help?

"You really underestimate her."

She thought Liu Yushui was out of luck, but she didn't expect to be with Zhou Liang again. She didn't know whether Liu Yushui went to find Zhou Liang or Zhou Liang brought him to her door.

Liu Baixiao had been lying in bed for so many days, with Liu Rumei supporting him at home, which seemed to have given Liu Yushui an opportunity.

"Who are you looking down on?"

"Ah...um!"

Suddenly a voice came, frightening Lin Caisang to the point of almost screaming.

Taking a deep breath, she turned back to look at Ya Molian who appeared in front of her, and glared at him angrily.

"I haven't recovered from my illness yet. Why didn't I just rest at home and come out?" she asked.

"Let's talk to you."

Ya Molian waved to her and motioned for her to come over.

"what's up?"

Although Lin Caisang was angry that he ran around regardless of her body, he still walked over obediently, sat down next to him, and pulled him to sit down with him.

"Lin Caihe's marriage has been decided." Ya Molian said directly.

"Is it settled?"

Lin Caisang looked at him in surprise.

Her grandma just went to Grandma Guihua's place, so she decided so quickly?

"I heard everything going on in your house tonight. Now you know, right? Lin Caihe is that ignorant white-eyed wolf!" Ya Molian said to her with a gloomy expression.

He has no skills at all, but he is thinking about how much benefit he can get from this family. If such a person continues to stay, what kind of chaos will the family be like?

"Don't raise it if it's not mature enough." Lin Caisang shrugged and said.

She is not Lin Caihe's father and mother, and they have to support her. She doesn't have that responsibility and obligation.

"By the way, you just said that the marriage has been decided. Which family is it?" she asked.

"You also know him from our own village." Ya Molian replied.

"From Yacun?"

Lin Caisang frowned slightly, thinking about the families in their village who could get engaged now.

However, no matter how she thought about it, she could never imagine which house Guihua Granny would choose for Lin Caihe. Who in Yacun hadn't heard about Lin Caihe and Liu Yushui trying to harm her?

Just like what she had thought before, she was really afraid of offending Lin Caihe and spreading a handful of poison into her bowl.

This is really something Lin Caihe would do.

"The valley is full."

"The valley is full!!!"

Hearing this name, Lin Caisang simply screamed out in surprise.

"Grandma Guihua...how could she think that Lin Caihe and Ya Guman could get along?" She was almost shocked.

Speaking of Yaguman, everyone in their Yacun knew about him. Even a few villages outside knew about him.
