

Lucky Star of Space on Farmlands

Chapter 4 This matter is not over yet!

"She...why is she doing this? Will grandma forgive her second uncle if she hurts you?" Lin Changhong still didn't understand, what was Liu Rumei's purpose in doing this?

The Lin Lu family has three sons. The eldest son is Lin Caisang and Lin Changhong's father, Lin Baizhong, a brave and loyal man;

The third son, Lin Baiyi, although not as brave and resourceful as his eldest brother, is still honest, honest, a little clever, and very filial to his parents.

Only the second son Lin Baixiao!

In order to get rich, he stole all the money in the family and gave it to Liu Rumei, a wealthy young lady in the town. In the end, he even became the son-in-law despite the opposition of his family. 【6】 【9】 【s】 【h】 【u】 【x】 【.】 【c】 【o】 【m】

Moreover, if you are a door-to-door son-in-law, just be a door-to-door son-in-law. A son is a son after all. How can parents not love him?

But in order to please his wealthy father-in-law, Lin Baixiao even changed his surname.

Now Lin Baixiao is called Liu Baixiao!

Therefore, in Lin Lu's heart, she no longer had this son, and Liu Baixiao did not dare to return to Yacun. He had not seen anyone for several years.

"Brother, have you forgotten that every time Zhou Liang comes to my house, who else will come uninvited?" Lin Caisang said quietly, reminding Lin Changhong.

"Yes...hiss!"

Lin Changhong suddenly woke up, but couldn't help but take a breath of air.

"It's actually because of Zhou Liang's marriage to you!"

Speaking of Lin Caisang's marriage, it comes out of nowhere, but it is also reasonable.

The man is the old teacher in their Yacun, the grandson of Master Zhou, named Zhou Liang. However, Zhou Liang himself is extremely resistant to this marriage, and even dislikes the fat Lin Caisang.

But it has to be said that Zhou Liang's official career has been smooth sailing since he got engaged to his original owner.

In the first year of the engagement, Zhou Liang was admitted to Tongsheng;

In the third year after her engagement, Zhou Liang was admitted as a scholar. Together with her cousin Lin Changfeng, she became the youngest scholar in their county and was sought after by everyone.

So Mr. Zhou stopped teaching and moved directly to the county, so that his grandson could study with peace of mind. He would be admitted to the imperial examinations in the future and nominated for a gold medal, so that his family would be honored and his family would be honored.

And this year... I heard that Zhou Liang is going to the provincial capital to take the imperial examination.

Thinking of Zhou Liang, Lin Changhong's eyes dimmed slightly, and there was a faint aura of violence surrounding his body.

Liu Rumei had taken a fancy to Zhou Liang's career early on, and wanted to betroth her eldest daughter Liu Yushui to Zhou Liang as his wife. He knew it very well, but no matter what Liu Rumei thought about, there was still his sister Lin Caisang blocking the way. , what can she do?

It seems that this time, Liu Rumei took advantage of Liu Baixiao's intention to buy an official position in the county government, and proposed to sell his sister to Liu Baixiao on the grounds that the family was short of money.

Because everyone else is worthless, but his sister is different, she is destined to be rich!

"As far as I know, it was Liu Rumei who first chose the Chen family in the county and passed on my destiny of wealth and wealth to them, and then she approached the Chen family as my second aunt.

After that, everything went smoothly and I was sold for two hundred taels of silver!

I didn't know these things at first, but later she went to Chen's house for a wedding banquet, and after Mr. Chen died, Mr. Chen scolded her for venting his anger and said everything, so I knew it. "

After connecting the two things together, Lin Caisang quickly came to a conclusion - this matter is not over yet!

"So Liu Rumei plotted against you because of Liu Yushui?"

"Half and half," Lin Caisang curled her lips and said.
