

## Star of Space 407

Chapter 407 Lin Caihe ran away

"He girl?" Lin Laogeng was stunned by her question. "I saw her once this morning, but I haven't seen her since. Shouldn't she be helping her mother in the mountains? She told me so." Hearing this, Lin Caisang really gritted her teeth. "Grandpa, don't get excited when you hear what I'm going to say later."

"What?" Lin Laogeng didn't understand for a while, and asked his granddaughter blankly. "My room was turned upside down, all the herbs and clothes were gone. I just checked my eldest brother and brother Changfeng, as well as my third uncle and aunt's room, and they were also turned upside down. She didn't know what was lost in other people's rooms. But she took a rough look at her own room, and all the herbs were gone, and the clothes that were neatly stacked in the box were gone, except for the few pieces that her father bought for her, which were worn out and couldn't be worn anymore. "What? ! "

Lin Laogeng was so shocked that he forgot that he couldn't walk anymore. He almost fell off the wheelchair.

"Sangsang, what did you say?"

Yang Lin and Lin Baiyi had just returned from Manghuang Mountain. Because Lin Caisang walked faster, they walked slower. They didn't have time to untie their raincoats when they heard Lin Caisang's words. They were also stunned.

After a long pause, Lin Baiyi hurried to his room and ran out again soon. 6 9 s h u x . d d m

"Ah Lin, all the money I earned from selling wood products these days is gone! "

Hearing his son's words, Lin Laogeng turned his wheelchair in a panic and went to his room to check.

Because he remembered that in the morning, he was bored, so he wanted Lu Qiubo to take him for a walk on the gravel road outside. Although the room was not moved when he came back, he wanted to see the hidden silver...

Sure enough, when he opened the bottom corner of the cabinet, the small black bag inside was gone.

"The silver of your mother and I is gone too." He pushed the wheelchair out with a dark face and said to them.

"What are you talking about? What is missing?"

Lu Qiubo was in the kitchen. Because of the sound of cooking, he couldn't hear clearly what they were yelling outside, so he asked.

"Grandma."

Lin Caisang's face was extremely ugly, and he turned to look at Lu Qiubo.

"If I'm not mistaken, Lin Caihe stole all the valuables in the house and ran away. "

"What? "

After hearing her granddaughter's words, Lu Qiubo's face turned green, and she rushed into the room in a hurry, using all her strength to move a large jar in the corner of the room.

There was a wooden board under the jar. She squatted down and picked up the board. There was a small box inside.

After opening the box and taking a look, she breathed a sigh of relief.

"It's okay, it's okay. The things are still there."

"Old woman, what are you doing in the room? The food is about to burn." Lin Laogeng shouted in the yard.

Even if the house was robbed, you still have to eat. You can't let the whole family be angry and starved to death for such an unpromising granddaughter, right?

"I'll go."

Yang Lin came back to his senses and hurried into the kitchen. In fact, he went into the kitchen to secretly wipe his tears.

What can she do with such a daughter?

"Uncle San, go see Aunt San and persuade her a few words. If she doesn't have money, she can earn it again. It's nothing." Lin Caisang immediately said to Lin Baiyi.

"Yes, yes, Lao San, persuade your wife not to ruin her health for a useless thing, it's not worth it." Lin Laogeng also quickly echoed.
