

Star of Space 416

Chapter 416 Let Miss Lin marry into his family

"Seriously.

Ya Molian continued to change the topic to her plan to open a shop.

"If you want to open a serious shop, you can't just mess around like this at home. You must have a serious place and a group of people who can help you get started. Otherwise, the goods in your shop are likely to be supplied. Not on."

Listening to his words, Lin Caisang couldn't help but chuckle.

"Brother Mo Lian, I think your business has grown so big that you have forgotten that every business starts from a small start, right?"

She is now empty-handed and has nothing. She has no shop, no manpower, and no goods. She can be said to have no one. It is too fast to come so quickly that the store cannot supply the goods. .

"Do you want to start making trouble from a young age?" Ya Molian asked her. (つ〇〇〇)つ

"this....."

Lin Caisang curled up the corners of his lips.

"Of course not. When doing business, the bigger the fanfare, the better, especially if you open a shop in a county. If you don't have any momentum when you open it and overwhelm the customers, you will be disliked in the future.

Furthermore, I don't know if I can find a better shop. If I can find a shop with a better location and a larger space, it will not only be a fruit shop, but also other businesses, such as selling health care products. to make up for. "

"Okay, I'll accompany you to see the shop tomorrow." Ya Molian made the final decision.

"ah?"

Lin Caisang was stunned by what he said.

"Does it really need to be so fast? Isn't it too hasty?"

"Even if you have made up your mind to open a shop, do you still want to delay it?" Ya Molian asked her.

Lin Caisang shook his head quickly, "Then let's go to Ye County tomorrow to have a look."

She actually wanted to go to Jian'an City again, check up on the eldest princess, get the bounty, upgrade the Golden Pearl Space, and then go to the shop.

But Ya Molian is right, the sooner the better.

"Jian'an..."

"Palace Master, Miss Lin."

Ya Molian wanted to ask something else, but she saw Ban Jue rushing over in a hurry.

"What's wrong?"

Ya Molian looked at him and asked.

"Ya Guman's mother heard that Lin Caihe ran away and went to Miss Lin's house." Ban Jue looked at Lin Caisang.

"What do you mean?" Lin Caisang asked.

Does this have anything to do with her? Lin Caihe ran away as soon as he ran away. This marriage was not settled in the first place. Are you still afraid that they would cause trouble? Looking at Ban Jue's face, he seems to have hooked up with her.

"What did their family say?"

"them....."

Banjue opened his mouth and glanced at his palace master, not knowing what to say.

"explain!"

Ya Molian raised her eyes to look at him and said coldly.

"Ahem, Yaguman's mother said that her family gave up a son in order for Yaguman to marry Lin Caihe, and because of Miss Lin's grandmother's words, they didn't dare to ask for too much money from Yaguman every year. Now they gave up their son. , the old house is also abandoned, and the money is not available, so Miss Lin's family must pay her a daughter-in-law. "

Ban Jue said.

"Exiled Jue, why are you talking so verbosely?" Listening to Exiled Jue's words, even Lin Caisang wanted to hit someone.

Is this what they want to hear?

"They want Miss Lin to marry into his family, but not to Yaguman, but to Yacangman." Ban Jue said, feeling that as soon as he finished speaking, the temperature in the room suddenly dropped below zero.

"Palace...Palace Master, don't be angry. This is not their wishful thinking. Miss Lin's grandma will not agree to it."
