

Star of Space 417

Chapter 417 Just drive him crazy (asking relatives for support)

Sure enough, he just said that he didn't want to come, so he asked Ban Wu and the others to come, but those three guys slipped away faster than rabbits, and disappeared in the blink of an eye. He was the only one caught by Lin Chushui. .

"Brother Mo Lian, don't get angry. I'll go back and take a look first." Lin Caisang stood up and walked out.

"Palace Master, what..." What to do.

Watching Lin Caisang leave, before the words of banjue came out of his mouth, he was so frightened by Ya Molian's gloomy gaze that he swallowed it back in his stomach.

"Where is Yacangman?" Yamolian asked Ban Jue coldly.

"Palace Master, Yacang is full of people in the forest. They are collecting bird's nests in the spring breeze. They are also bragging to the people around them that they are going to marry Miss Lin. Jiang Zuo ducked and came to Ya Molian and said.

"My subordinates and Jiang Li thought that he shouldn't be so lively, so they... caused him a little trouble."

"What trouble?"

Ban Jue asked immediately.

Good guy, these two people are really good. They didn't dare to take a breath when he was left alone in front of the palace master. As a result, these two people went to find Yacangman's trouble first.

"Is Yacangman missing an arm or a broken leg?"

Hearing this, Jiang Zuo couldn't help but roll his eyes at him.

"Isn't it easier for him to have his arms and legs broken? Jiang Li got him a snake with a thick calf and drove him crazy." He looked at his palace master, his words full of pride.

Anyone who dares to steal his wife from his palace master will definitely end up with the worst possible outcome!

After hearing Jiang Zuo's words, Ban Jue found that the chill in his palace master's body miraculously dissipated a lot, but it was clear that he was still angry in his heart.

"Master, where are we now? Are we going home?"

"go back."

Yamolian stood up.

...

In the Lin family, Lu Qiubo was stroking his forehead with one hand. He was very angry when he saw the woman crying in her yard, with runny nose and tears.

Under the eaves on the side, Ya Guihua, the matchmaker, also looked embarrassed. Seeing Lu Qiubo looking at her, he could only smile at her guiltily, but could not say a word.

"Sister Qiubo, look at this person... I really can't stop him, I can't stop him." After a while, Ya Guihua said weakly to Lu Qiubo.

After hearing her words, Lu Qiubo could only laugh.

I really think she is stupid. If she, Ya Guihua, really wants to stop someone, how can she be able to stop him? Originally, such a thing would not happen, as long as Ya Guihua could stop this person, but why did he tell her that he didn't stop him?

Who would believe this? She didn't believe it anyway.

"Sister-in-law Osmanthus Osmanthus, if you don't get this person away, I will ask Changfeng to go to Manghuang Mountain to bring the she-wolf here." How could she possibly give Ya Guihua a good look, she said directly.

As for whether they didn't stop it or didn't want to stop it, everyone knows it in their hearts.

The people in the village had made a lot of calculations about her family's Sangsang's engagement. As for Ya Guihua, she wished that Sangsang would marry someone named Ya so that she could bring all her good luck to people named Ya in the village.

She really hadn't thought about who Sangsang would marry in the future, but——

It is absolutely impossible that Yacang Man wants to plot against herself and Sangsang like this. Yacangman is nothing but a lazy person. It takes two days to fish and three days to dry a net to pick a bird's nest. Is he worthy of her Sangsang?

If she really softened her temper at this time, wouldn't she be harming her granddaughter?
