Chapter 418 No guilt at all

"Girl Qing, go to the mountain and fetch the she-wolf." She ordered Lin Caiqing.

"Yeah, sister Qiubo, please don't."

Seeing that Lu Qiubo really didn't give her any face, Ya Guihua hurriedly stepped forward.

"Let me tell you, this Cangman is actually quite good. You don't know. He heard that he could marry Sangsang. Today he went up the mountain to collect bird's nests. For someone as diligent as him..."

"Old lady, what are you doing there? We don't have a broom at home?" Although Lin Laogan was not in the yard, he heard all the sounds in the yard clearly from his room.

Hearing Ya Guihua's words, he immediately roared towards the yard.

"It doesn't matter if he is from the same village or not. If he dares to plot against our family, I will drive him out!"

When Ya Guihua heard the sound, she was so frightened that her whole body trembled, her face suddenly turned livid, she licked her face and looked at Lu Qiubo with a smile.

"Sister Qiubo, I am a well-known matchmaker from all over the country. There is nothing wrong with the marriage that I guarantee. From now on, you guys with your family tradition and others will have to ask me to guarantee your matchmaking. Look at this..."

"roll!"

Lu Qiubo roared angrily.

Angrily, he went to the corner, picked up the broom, and hit Yaguihua.

"Ya Guihua, let me tell you, I don't care whose marriage will be arranged by you in the future, but our family will not be in conflict with yours from now on, and our Sangsang has nothing to do with your family.

"Ouch!"

Ya Guihua was beaten up, but she didn't leave. She was still thinking of fixing Lin Caisang's marriage. From now on, she would be a member of their Ya clan. Her good luck would only go to people of the Ya clan. .

"Sister Qiubo, listen to me. If you don't like Cangman, your grandson-in-law, you still have Liangman. He is hard-working and takes care of all the household chores. Otherwise, he... Oh, mother. , please be gentle."

Listening to her unscrupulous words, Lu Qiubo hit people even harder.

"Are you leaving? Are you leaving?"

Lu Qiubo asked while hitting someone.

"If you don't leave, I will let Sangsang curse you when he sees you named Ya. Believe it or not?!"

"you--"

Ya Guihua was frightened by her words.

Lu Qiubo wanted her to offend all the people named Ya in Ya Village. How could this person be so vicious?

"Okay, okay, I won't say anything, I won't say anything anymore, but you guys have settled the matter about Gu Man yourself. You can talk to Gu Manniang yourself. Also, I will protect any of your children who want to be a matchmaker in the future. No matter, huh."

She quickly ran outside the yard and snorted coldly at Lu Qiubo in the yard.

"Then I have to thank you for your indifference!"

Lu Qiubo yelled outside the courtyard, turned around and looked at Gu Manniang, who was still sitting in the courtyard, her body covered with rainwater, and her head suddenly hurt.

"Gu Man, have you separated from your family?"

She didn't feel guilty at all about Ya Osmanthus. After all, she had given twenty eggs, but she was so angry when she ended up having a good kiss.

Including Yaguman's mother, she doesn't have a good face.

But for Yaguman, she felt quite guilty, because if the Lin family hadn't wanted to arrange a marriage for Lin Caihe, maybe Yaguman wouldn't have been forced to separate from the family, and it was only for such a couple. An old house that no one can live in.

Yagu had a look of embarrassment on his face. He looked at his embarrassing mother sitting on the ground, then looked at Lu Qiubo, and nodded slightly.
