Chapter 42 You are the only one who is lazy

"What are you talking about, girl? Didn't you use the money Changhong earned from hunting? Who gave you the food you eat?" Lin Baiyi stopped what he was doing and looked at his daughter with an unhappy frown.

"Dad, I feel sorry for my eldest brother." Lin Caihe muttered unconvincingly.

"You feel sorry for your eldest brother, and Sangsang also feels sorry for her brother. Who does Changhong go to the mountains to hunt for? From now on, are you willing to ask Changhong not to hunt in the mountains or buy food for the family?"

Lin Baiyi asked her back.

He doesn't tolerate his daughter. He always goes against Sangsang every day. She won't be happy with anything Sangsang says. She just wants to make him, the father, angry to death!

"I....."

At this time, Lin Caihe was speechless.

How could she not know what was going on at home? If Lin Changhong really stopped hunting, they would really starve to death.

But she didn't point to Lin Changhong alone. After all, her father could now weave bamboo baskets, and after selling the money, she would be able to be strong-willed.

"Dad, if you get enough money from selling these things tomorrow, buy me a silk flower. I don't want to buy that beaded flower. It's so expensive. Just buy a silk flower. It'll be beautiful."

she asked.

"Go, I don't need your help here. Let's go cut the pig grass with your grandma." After hearing her words, Lin Baiyi gritted his teeth in anger.

He was weaving bamboo products here with blood soaked all over his hands, and he didn't even see a copper plate yet. His daughter had already made up her mind, and she wanted to buy silk flowers?

"You can wear it if you go outside to pick wild flowers. Dad didn't make these things up for you to waste. It was Sang Sang's idea. It's up to Sang Sang how to use the money in the future.

"father!"

Lin Caihe was really going to cry when she heard her own father's words.

She really wanted to ask, who is his daughter, her or Lin Caisang?

"He'er, when I sell my medicinal materials for money, I'll buy you silk flowers." Lin Caisang finally couldn't stand it anymore and said to Lin Caihe.

She knew that Lin Baiyi didn't care about her daughter, but she felt that the money earned from weaving these bamboo products should be spent where it should be spent, and could not be used casually.

But Lin Caihe is just a little girl after all, and it is human nature to love beauty.

"I don't want it. Who knows if those roots of yours can be sold for money." Lin Caihe glared at her angrily.

Hearing this, Lin Changfeng glared at Lin Caihe angrily.

"Sang Sang, didn't Brother Molian ask us to come over? Let's go." After closing the door, he reminded Lin Caisang.

"good."

Lin Caisang nodded.

"Brother, I'm going too."

Lin Caihe saw this and wanted to follow, but Lin Changfeng didn't give her a chance.

"Brother Mo Lian only asked me, Sangsang, and Changhong, and he didn't call you. What are you going to do? Are you making trouble?"

"I....."

Lin Caihe paused.

"Don't think about what you have and don't have it all day long. Stay at home. If you can't stay any longer, go cut grass with grandma and mother. The young children are all gone, and you are the only one who is lazy and refuses to stay at home. Go out."

Lin Changfeng said something to her again, and then he and Lin Caisang went to the next door.

"Brother!"

Lin Caihe was going crazy after hearing what he said.

Why is she so lazy? We were just at home today, okay? What's more, she was alone, and there was Lin Caisang. Wasn't she also at home and didn't go out?

"Dad, look at eldest brother, does he say that about his biological sister? Sister Sangsang is his biological sister, right?"

"Okay, He'er, if you don't want to stay at home, go to grandma's place." Lin Baiyi couldn't do anything about his daughter, so he couldn't beat or scold her easily, right?
