

Star of Space 421

Chapter 421 I agree to this marriage

"That's right, your Qing Yatou is such a wonderful person, how could she like our Gu Man..."

"Why don't you like it?"

Before Yaguman's mother could finish speaking, a slightly childish voice sounded in the yard. Everyone heard the voice and turned around, only to see Lin Caiqing taking two steps forward and looking at Yaguman's mother with angry eyes.

"Brother Guman is loyal and honest, hard-working and capable. I don't know how many times better than other people who only know how to be lazy and slippery!"

She put her two small hands on her small waist. Her posture was like a peacock competing for beauty.

Yaguman's mother: "!!!"

Is this little girl crazy? She actually thinks that Yagu is full of good people? Which girl in Yacun didn't take a detour when she saw her disfigured son?

"Qing Yatou, you can see clearly, Yagu is covered with scars on his face, they are very scary.

"Ah."

Lin Caiqing shrugged his shoulders and gave a cold chuckle.

"You think I'm blind. My eyesight is very good. What I see is real. You really think that everyone likes people with good-looking faces. Is having a good-looking face useful? Can it be used as food? Marry a man. Marry a man, wear clothes and eat, can this beautiful face be used as food, or can it be used as clothes? "

It's so irritating. Is there any mother who dislikes her son so much? Moreover, Yaguman is still a filial son and has made a lot of money for the family over the years.

If you want to use her and Yaguman as gunmen to frame her, Sister Sangsang, let alone a door, there is not even a window!

"Grandma, isn't it just a marriage? I agreed and let those who have nothing to do with it enjoy themselves.

She looked at her grandma and said majestically.

Lu Qiubo: "..."

Lin Baiyi and Yang Lin: "..."

Lin Changfeng and others: "..."

The whole family had an idea in their minds at the same time. They needed to get to know this granddaughter (daughter) (sister) again.

Yacangman: "???"

What, why did you agree? He hasn't spoken yet!

Although Lin Caiqing is countless times better than Lin Caihe, how old is the little girl? She has solved her life-long problem by herself. Is it so scary?

However, it seems that Lin Caihe is not that old, the two sisters are only two years apart.

Moreover, this girl is also very good at talking. Looking at the praises given to her, he himself feels that he is very impressive.

The most shocked person in the yard was Yaguman's mother. She was so shocked by Lin Caiqing that she didn't know how to react for a moment.

"you you you....."

Pointing at Lin Caiqing with trembling fingers, you didn't say a single word for a long time.

"What are you talking about? I have already said that I agree to this marriage. From now on, this matter is a matter between my Lin family and Yaguman and has nothing to do with you."

Although Yaguman's mother was speechless, Lin Caiqing never thought of giving her a chance to speak.

"Oh, by the way, when the time comes to get engaged, you can be a witness. After all, you will still be my mother-in-law in the future, right?"

Everyone: "..."

Lin Caisang outside the hospital: "!!!"

Just after she came back from the forest, before she could even enter the yard, she heard Lin Caiqing's loud voice carried far away.

Did she miss something important? Why did I hear that it was Qing'er who was speaking?

"Sangsang, are you back?"

Outside the yard, Ya Guihua wanted to see the situation, so she didn't leave. When she saw Lin Caisang, although she felt a little guilty, she still said hello with a stiff smile.
