

Star of Space 422

Chapter 422 Are you really relieved?

"Hey, isn't this Granny Guihua? Why are you staying outside the yard?" Lin Caisangpi glanced at Ya Guihua with a smile. She naturally didn't have to give anything to someone who could be kicked out by her grandma. Good-looking.

"Well."

Ya Guihua was a matchmaker, so how could she not see the sarcasm in Lin Caisang's eyebrows? She felt even more guilty. In their Ya Village, anyone who dared to offend Lin Caisang would offend the entire village, and she naturally did not dare.

"Didn't I... mess up the matter? You got angry and kicked me out."

"Yeah?"

Lin Caisang stared at her with a smile on his face.

"Uh, yeah, yeah."

Ya Guihua was staring at her so hard that her scalp was numb, but she could only bite the bullet and answer.

"But Sangsang, don't worry. Although Girl He's marriage is not going to be easy, Granny Guihua will definitely take good care of your marriage. Don't worry..."

"Grandma Guihua doesn't have to worry about Son's marriage."

Before Ya Guihua finished speaking, she felt the temperature in the air suddenly cool down, and then she heard a familiar voice ringing in her ears.

"You...Ya Mo..."

Ya Molian just glanced at Ya Guihua coldly, took Lin Caisang's wrist directly into the Lin family's yard, and then closed the yard in one breath.

"hiss!"

Ya Guihua outside the hospital couldn't help but shudder. When Ya Molian glanced at her, she felt that her body was about to freeze, but her mind was still clear and her eyes were looking at the hands held by the two of them. Really.

"How could it be him? How could it be him?"

At this moment, no matter how stupid she is, she can see the relationship between Ya Molian and Lin Caisang, and she feels extremely regretful.

"If I had known it... If I had known it, I wouldn't have had to do this anymore! Look at how this matter was handled, what should I do?"

But it's useless to regret now. I'm afraid not only the Lin family, but also Ya Molian hates her, right? This is really a waste of money. You can blame yourself to death.

How could she offend two of the most important people in the village all at once?

"Mo Lian, why are you here with Sangsang?"

In the courtyard, when Lu Qiubo saw his granddaughter returning with Ya Molian, he was not that surprised and just asked.

"Sang'er is going to visit the shop tomorrow. I thought she was not familiar with it alone, so I simply took her to have a look." Ya Molian replied.

Lin Caisang: "..."

It sounds so nice, is it true?

When Lu Qiubo heard what he said, he nodded immediately, and another big stone dropped in his heart.

"Originally, I was worried that Sangsang wouldn't know what to do, but now that you are going with me, I feel more at ease."

Lin Caisang looked at her grandma and was speechless.

I really want to ask: Grandma, can you really rest assured if you leave my granddaughter to a man?

However, seeing the whole family standing in the yard hearing Ya Molian's words, no one came out to object, Lin Caisang also laughed in his heart, must he have seen her and Ya Molian as a pair a long time ago? ,Yes or no?

"You...you two..."

Yaguman's mother looked at the two people in front of her and was so shocked that she couldn't speak.

It turns out that Ya Molian and Lin Caisang have been together for a long time. This stinky girl has just withdrawn from the relationship, and there is another man who wants her. She is really popular.
