

Star of Space 423

Chapter 423 Nothing is missing without him

It's a pity that she is still a step too late!

Lu Qiubo stopped paying attention to Lin Caisang and Ya Molian, and turned his full attention to Ya Guman's mother.

"Gu Manniang, my family is still busy. If you have nothing to do, just leave. As for this marriage, when Gu Man and my young girl come to an agreement, I will ask you and Gu Man's father to be witnesses."

"You... you..."

Ya Guman's mother was furious in her heart, but there was nothing she could do. How could she alone be able to defeat the Lin family, let alone Ya Mo Lian.

"Gu Man, what are you still doing here? Come back to work with me!"

Since her anger could not be directed at the Lin family, she could only look for bad luck on her son and glare at Yaguman.

"Mom, I still have to clean up the old house. There isn't even a roof there. It's really impossible to live in it without cleaning it up." Yaguman wanted to nod out of habit, but luckily the words he answered were stuck in his throat, thinking of himself All have been kicked out.

The habit of being sent here and there by his mother must be changed.

No matter whether the girl who marries him in the future is Lin Caihe or Lin Caiqing, he can't let his girl suffer hardships with him, right? He has to do his own work and earn his own money!

He needs to clean up the old house. As for the work at his parents' house, isn't it true that the eldest brother and the others are here, and no one will be left behind without him.

"you--"

Yaguman's mother was choked by her son's words. She glared at him angrily and turned around to leave.

"Grandma Qiubo, I..."

After his mother left, Yaguman had the chance to look at Lu Qiubo, then secretly glanced at the little girl Lin Caiqing, and quickly looked away again.

"Gu Man, you go and do your business first. The matter between you and Qing Yatou... Well, Grandma Qiubo has to discuss it with her family again. We will inform you after we have discussed it, ah."

Lu Qiubo coughed lightly and had no choice but to say to Ya Guman helplessly.

"Oh, I'll go back first."

Yaguman nodded, then turned and left.

...

Lin family, Ya Molian has left.

Lin Caiqing was called into his room by Lu Qiubo, and together with Lin Laojie, the grandfather and grandson didn't know what they were talking about. Lin Baiyi and Yang Lin also returned to their rooms with sad faces and did not come out.

Lin Changyi and Lin Changhong were driven to the school, and suddenly only Lin Caisang and Lin Changfeng were left in the courtyard.

"Brother Changfeng, what's going on? Why did the Yazhu family come to our house?" Lin Caisang asked Lin Changfeng.

She couldn't understand that the marriage between the two families had not been finalized at all. Why did Yaguman's mother Yazhu dare to make trouble in her family? Who gave her the power to fight? You are brave enough.

"That person is a hot-tempered person."

Lin Changfeng took a deep breath and spoke helplessly.

"Didn't Grandma make an agreement with their family before? It's just that after they separated their families and cleared up all the things at home, they could come to propose marriage. No, as soon as He'er ran away, Mrs. Yazhu felt that she It makes sense, and he wants to take advantage of our family.

In addition, Grandma Guihua... This person is not a good person. She has always wanted to marry you to someone from their Yazhu family. Seeing that Yazhu is not easy to talk to, I thought Grandma would give in and let you marry. The warehouse is full. "

"Grandma Osmanthus..."

Lin Caisang's eyes dimmed slightly, thinking about Ya Guihua's face when she saw her at the gate of the hospital just now.

It seemed that she knew that she had completely offended their family and wanted to seek some favor from her. Fortunately, she ignored her.
