

Star of Space 425

Chapter 425 Find a reason to refute

"Grandma, I was wrong.

Lin Caiqing secretly raised her eyes and glanced at Lu Qiubo, then continued to lower her head and opened her mouth to apologize.

"But I really think Brother Guman is a very nice person. When I went to the mountain to cut pigweed, he would help me when he saw it. But if it were someone else who saw me alone, It's good if you didn't bully me."

Lu Qiubo: "..."

Lin Laogong: "..."

This is what the granddaughter said. Did she know she was wrong? They really didn't see where she knew she was wrong. Look at what she said, what should they do?

Besides, if Yaguman is not a good person, they don't say he is not.

"Qing'er, Gu Man's hand is disabled, do you know?" Lin Laogen asked in a deep voice.

"I know."

Lin Caiqing nodded in response.

Is there anyone in the village who doesn't know this? Yaguman's parents wanted to kick him out just because Yaguman's hand was injured and he could no longer earn money for the family.

"You can't do a lot of things with one hand, and the money you earn will be much less. Do you know?" Lin Laogan asked again.

"I know."

Lin Caiqing nodded again.

"Why don't I still have to do it? I can do it if he can't do it."

Lin Laogong: "!!!"

Has his granddaughter already liked Yaguman, but she never dared to tell her family? Otherwise, why would he feel bitter that his granddaughter has become someone else's?

Did he marry his granddaughter so that she could become a mother-in-law to her husband's family?

"Old lady, go ahead." He had nothing to say.

When Lu Qiubo heard his old man's words, he felt speechless.

What else could she say? In Qing Yatou's heart, Ya Guman was her chosen husband. She could find a reason to refute whatever she said.

When he opened his mouth and didn't know what to say, there was a knock on the door.

"Grandpa, Grandma, I have something to do with Qing'er. Have you finished talking?" Lin Caisang's voice rang from outside. Lin Caiqing, who was holding his head back, suddenly raised his head and looked at Shun Shu. door.

"Ahem."

Lu Qiubo had no choice but to go over and open the door and look at Sangsang outside the door.

"Sang Sang, please talk to Qing Yatou. Grandma... I really don't know what to say to her."

"I know, I will ask her carefully." Lin Caisang nodded and stretched out a hand towards Lin Caiqing behind Lu Qiubo.

Lin Caiqing immediately took her hand, and the two went to Lin Caisang's room.

...

"Qing'er, what do you think, why did you promise yourself to go out? This is your lifelong event, a lifelong matter, you know?" In the room, Lin Caisang looked at Lin Caiqing seriously, solemnly asked her matter-of-factly.

"You should be able to tell that even if you didn't say that, the Yazhu family would not dare to do anything to our family, because our family's marriage to Yaguman has never been settled at all."

As for the Yazhu clan's unreasonable troubles, they could completely ignore it, or let the Ya clan chief handle it.

"Sister Sangsang, do you also think Brother Guman is bad?" Lin Caiqing blinked her confused eyes and looked at her and asked.

Lin Caisang glanced at the roof speechlessly. This matter is not a question of whether Yaguman is good or bad.

"No, I don't think he's bad. Yagu Man is famous for being honest and capable in our village. This is naturally good. Your eldest brother also told me about his left hand before, and I also said that I would try my best to help him treat it. ..."
