Star of Space 480

| "You mean, the medicine garden space and the pasture space are not the same space. They are in different planes?" |
|---|
| 'Yes.' Two big characters appeared in the jade mirror. |
| "In other words, there are many dimensions hidden in this golden bead. Each dimension is incomprehensible except for you. It depends on me, the contract owner, to transfer certain things back and forth from different dimensions. , you also need to rely on me as the contract owner to upgrade the space and upgrade different spaces? " |
| If it's true what she said, then what kind of treasure did she pick up? |
| Simply amazing! |
| 'Yes.' Yu Jing agreed with her words. |
| 'Dear Master, you now have pasture space and can put that horse in the pasture, then it will only be regarded as an animal raised by you. 'Yu Jing reminded her. |
| "nonsense." |
| Lin Caisang rolled her eyes at Jade Mirror. |
| If she hadn't thought about this level, how could she ask if Jade Mirror could upgrade its space? |
| "etc." |
| However, just when she was about to go through the passage to Jian'an City to bring the horse back, she suddenly thought of a very serious problem. |

| "Yu Jing, if I go to Jian'an City now, it won't count as one time, right? Can I go to Jian'an City again in half a month?" she asked. |
|---|
| 'Can.' |
| Two words appeared in the jade mirror, then disappeared within a few seconds, and then several lines of words appeared. |
| 'The number and time of follow-up consultations in the mission are determined by space. Within this, no matter how many times the contract owner travels between the two places, it is okay and it will not affect your last follow-up consultation.' |
| Lin Caisang: "" |
| Why didn't this guy tell her before? Or was it because she didn't ask that Yu Jing wouldn't tell her? |
| "Why didn't you tell me before?" she asked Yu Jing. |
| 'I didn't know before that there are more rules in the Golden Pearl Order, so I can know more about the Golden Pearl Space here. 'Yu Jing replied to her words. |
| Hearing this, Lin Caisang was speechless. Only if she worked hard could Yu Jing know more. It all really depends on her. |
| "Brother Yujing, then the two of us can only make progress together." |
| Regardless of everything else, the most important thing to do is to bring back the horse she likes. |
| After a while, the horse was put into the pasture space, eating grass and running happily, while she returned to the inn. |
