Chapter 485 Kill for life

That woman was really vicious. She took away everything she could from the house, and even left without him noticing.

By the time Lin Caisang found out, it was already too late. Even if he wanted to find a person, he had to have a trace, and Lin Caisang really left no trace at all.

"I wonder how the Zhong family is doing now?" Lin Caisang shook his head and muttered softly.

"You don't have to worry about this. Master Zhong can be appreciated by his grandfather and handed over the power of the family. He is not a bad person. He will not be unable to handle even this little thing."

Ya Molian raised her hand to touch her head and spoke.

"Actually, if you think about it differently, it may not be a good thing that Mr. Zhong is gone like this. It depends on the angle from which you look at it.

"yes."

Lin Caisang nodded.

If we look at it from her perspective, with Mr. Zhong gone, Mr. Zhong and Zhong You will have a much easier life in the future. There will no longer be an elder dictating in front of them, making them feel restrained in everything they do. .

On the other hand, Zhong Yun will definitely not have an easy time because of this incident. It is inevitable to go to jail, which will save him from harming others again.

"Zhong Yun committed a crime. The Zhong family's property in his hands should be returned to Master Zhong, right?" she asked Ya Molian.

Think about it, this is common sense, and it is unnecessary for her to ask this.

However, the reality was not as simple as she thought.

"Miss Lin, you are wrong. Zhong Yun did not commit any crime."

After banishing the Anshen incense, he came back. Hearing Lin Caisang's words, he replied.

"What did you say?" Lin Caisang turned around and asked Ban Jue.

"Exiled Jue, please sit down and explain the Zhong family's affairs to us clearly."

Ban Jue walked in and stood in front of the two people. After confirming the eyes of his palace master, he sat down.

"Palace Master, Miss Lin, although Zhong Yun committed a crime, his crime of burying Mr. Zhong secretly was borne by Fu. Now Fu is a very evil person, and Zhong Yun is just the son of a guilty woman. , but it has nothing to do with this matter."

"Depend on!"

Lin Caisang couldn't help but curse.

"This Zhong Yun is so ruthless that he can even ignore his own mother!"

And this is not to ignore it, but to directly let Fu Shi take the blame. Does he know what kind of punishment Fu Shi will receive if he takes the blame?

"Kill for life."

Ya Molian spit out four words coldly.

"Since the Fu family is dead, why do they care about the way of death? She will also die if she takes Zhong Yun's blame."

"He killed someone and hid his body, and it was his father-in-law. Even if he reconciled, it would be a heinous crime, and he would be punished, right?" Lin Caisang felt sad and couldn't help but shudder.

Originally it was just an accidental killing, but it turned into a premeditated murder and hiding the body.

"Originally, Mrs. Fu should only be sentenced to exile, or at most be made into a slave in the army, but she took Zhong Yun's crime, and that was the only way to die." Ban Jue said.

Although Mrs. Fu was married and had a son and a daughter, she was still young in the final analysis, only in her early thirties. If such a woman committed a crime, she would most likely be forced into the army as a slave, which was not enough. was sentenced to death.

"Palace Master, Miss Lin, do you know? It was Zhong Yun who coaxed Mrs. Fu to take the blame, and my subordinates heard it personally."
