Chapter 545 How big is your face?

"What's the matter with them?"

Lin Caisang calmly interrupted Grandma Yan and asked her.

However, before she could answer, she raised her hand and pointed at Yan Jinhua beside her.

"Oh, this is Miss Yan. I really have to thank you. If you hadn't tried every means to harm Brother Yulang, I really wouldn't have had the opportunity to save him, let alone the opportunity to let Uncle Zeng and Yu Lang Brother Lang is doing something for me."

Grandma Yan: "..."

After all, does Lin Caisang know everything about their two families?

"....."

"Miss Lin, it's inevitable for this little kid to do something wrong. Now that my Jinhua knows her mistake, you have to give her a chance to change her ways, right?"

Yan Jinhua was about to open her mouth, but Grandma Yan gave her a stern look and cut off her words.

Wingdings: 

"Why should I give her a chance to change her ways? Do I know her? You have made a mistake and you still want me to take care of her?" Lin Caisang turned his eyes and looked at Grandma Yan.

"Who are you Yan family? My granddaughter did something wrong. She didn't know how to support her as a grandmother. She actually wanted me to be supported by an outsider. Everyone in your Yan family , How big is the face? I'm afraid it's a little bigger than the lake, right?"

"you--"

Grandma Yan had a bad breath stuck in her throat and almost suffocated to death.

I never thought that this kind-hearted girl who was outside listening to helping the world and saving people would turn out to be a snob who spoke so sharply and left no human feelings for her!

"What's wrong with me? Did I say something wrong?"

Lin Caisang opened his confused eyes and looked at Grandma Yan.

"Tell me, Mrs. Yan, don't you know what your granddaughter is like? I finally got two people who can help me, but I don't want to be harmed by your granddaughter. You "It's better to take your precious granddaughter to harm other people's families. Go slowly and don't give it away."

"I...you..."

Grandma Yan was so angry. Was her granddaughter being said like this?

"Miss Lin, my Jinhua is engaged to be married to Yulang of the Zeng family. Even if you are not happy, the marriage will still happen, right? You can't be that vicious person and just get married to a bad person, right?"

"Your family has already canceled this marriage! Mrs. Yan, you don't even remember the cancellation document you wrote, right?" Old Man Zeng stood up and said.

It's too late to climb up now. Even if Yan Jinhua really didn't hang out with the young master of the Hou Mansion, they wouldn't want such a daughter-in-law to come in.

Just how noisy Yan Jinhua was today, who could stand it!

"Where is the divorce document?"

When it came to the divorce document, Grandma Yan looked proud. She spread her right hand to Old Man Zeng and asked.

She personally sent someone to handle this matter. She had already stolen the divorce papers left at Zeng's house and burned them.

Now the Zeng family has no evidence. It is impossible to marry their Jinhua. Old man Zeng has to take Jinhua as his daughter-in-law even if he doesn't want to take her!

Hearing her words, Zeng Yulang sneered coldly, took out a piece of paper from his arms, and spread it in front of Grandma Yan.

"Mrs. Yan, please take a look clearly. Is this the divorce document that you asked your servant to send you?"

"You...how is this possible?"

Grandma Yan squinted her presbyopic eyes and took a closer look. Sure enough, it was the divorce document written by herself.
