

Star of Space 563

Chapter 563 There is another way

"All the internal organs were shattered by the internal force, and the seven tendons and eight meridians were severely severed. If you hadn't used the internal force to keep her alive, she would have died long ago.

Lin Caisang said bluntly.

"Brother Mo Lian, who is she?" she asked Ya Mo Lian.

Judging from Jiang Zuo's expression, this girl must be Jiang Zuo's sweetheart, but to be able to get Ya Mo Lian to take action personally, this girl must also be related to Ya Mo Lian.

"My cousin." Ya Molian replied.

"Your cousin?"

Lin Caisang was shocked.

This girl turned out to be Ya Molian's cousin, so it's no wonder that he disappeared for so many days. It turned out that he got the news and went to save people.

But this person was saved in vain.

"She was seriously injured. If you want to save her, you must have the ability to snatch people from the hands of death. I don't have that ability yet." She looked at Ya Molian steadily and said.

Regardless of whether this girl is from Yamolian or not, she will definitely save her if she can, but now she doesn't have the ability.

However, as soon as she spoke her words, Jiang Zuo made a 'plop' sound and knelt down towards her.

"You...Jiang Zuo, what are you doing?"

Lin Caisang stood up immediately and was shocked by Jiang Zuo's amazing move.

"Miss Lin, I beg you to think of a way. I don't ask her to recover as before, but...she doesn't deserve to die!" Jiang Zuo's eyes were red and he looked intently at the woman lying on the bed.

"It's all my fault. I would trade my life for hers."

"this....."

Lin Caisang looked at Yamolian.

Although she didn't have the ability to exchange her life for her life, what was going on was what she wanted to know.

"I'll talk to you later."

Ya Molian walked to her side and said softly.

"Is she really hopeless?" He glanced at his cousin on the bed and asked Lin Caisang again.

"The injury is too serious. To save him is to change his body. I really don't have the ability." Lin Caisang shook his head.

"But...if you really want to save her, I can go and ask if there is any way to save her."

"Can it still be saved?"

When Jiang Zuo heard her words, he suddenly felt energetic and asked immediately.

"Sonny..."

Naturally, he wanted to save him if he could. After all, she was his party girl. However, if Sonner was harmed because of saving people, that would not be what he wanted. He would rather not save her.

"Don't worry, I'm not that stupid." Lin Caisang understood the meaning in his eyes, comforted him, and went to Ya Molian's own room.

...

In the ranch space, Lin Caisang was also discouraged when looking at the words in the jade mirror.

"It really can't be saved? Brother Yujing, saving one life is better than building a seven-level pagoda." Lin Caisang asked again.

But Yu Jing said there was no way, but there was no way. She couldn't do anything herself, and coupled with Yu Jing's powerlessness, what else could she do?

'There is another way. '

Suddenly, a line of words appeared in the jade mirror.

Lin Caisang's eyes lit up and he immediately asked, "What can we do?"

'Slave-keeping. '

Two words came out of the jade mirror.

Seeing these two words, Lin Caisang was stunned for a moment, and his brows suddenly wrinkled.

She had seen these two words in the pasture rules before, but because if she earned enough points in the Golden Pearl Space, she could switch to the automatic feeding mode and did not need to keep slaves, so she never thought about this word. .
