

Star of Space 565

Chapter 565 Number of years of contract: fifty-six years

"What?"

Jiang Zuo screamed.

"Ten or twenty years? Didn't she waste all her youth on you? Miss Lin, how could you..."

'Snapped!'

Before he finished speaking, Lin Caisang, who was standing opposite him, raised his hand and gave him a big mouth.

"Jiang Zuo, don't you understand what I'm saying? You said it's not me who saves people, it's not me who saves people. What kind of stuff is going on in your head! If your brain is broken, I don't mind giving it to you. Cut it open and help you repair it!"

This man must be sick. He looked pretty good before, but why did he become like this when something happened? He has no mental capacity at all!

"I....."

Jiang Zuo was beaten and was stunned without saying a word.

"Jiang Zuo, please make it clear to me. If she doesn't sign a contract with me, she won't even be able to see the sun tomorrow. She will still be alive after these two or twenty years. Between the two Which one is more serious, don't you understand?"

Lin Caisang asked him again.

"this....."

Jiang Zuo gritted his teeth and stopped talking.

"However, it is useless for me to tell you here. The key is to see whether she agrees. If she is not willing, no matter what I say, it will be in vain." Lin Caisang looked at Ya Molian again and said.

"I...will."

Just as she finished speaking, she heard a faint voice behind her.

"Ziyou, Ziyou, are you awake?" Jiang Zuo heard the voice and rushed over immediately. When he was about to hold her hand, Ya Molian grabbed her by the back collar and threw it behind him. far away.

"Ziyou, you heard what your sister-in-law said just now, are you sure?" Ya Molian asked Ziyou softly.

"I'm sure, Brother Mo."

Ziyou showed a sad smile and looked at Ya Molian.

"Brother Mo, you think this is ridiculous. I have done so many things for my family over the years, but in the end I ended up like this. I was injured by them and almost died. But Brother Mo, I don't want to die like this. I Not willing to give in. "

She wanted to take revenge and pay back everything those people had done to her, ten times, a hundred times, or even thousands of times!

"If you are sure, then hold this token and it will make a contract with you." Lin Caisang didn't say anything and directly put the Golden Pearl Token in her hand.

Ziyou tilted his head slightly, looked at the milky white token at hand, and stretched out his hand to hold it in his hand.

Because there were blood stains on his hands, it was immediately smeared on the Golden Pearl Order.

Then, the four people in the room, including Lin Caisang, all saw a line of words floating in the air:
Contractor: Sui Ziyou. Number of years of contract: fifty-six years. Requirements: Be loyal to your master, obey your instructions, and strictly keep secrets. Otherwise, you will be severely punished!

Lin Caisang: "..."

She didn't care about anything else, but when she saw the words 'fifty-six years', she really wanted to spit out a mouthful of old blood.

"Didn't Jade Mirror say that it would only take ten or twenty years? Why does it take fifty-six years?"

Are you kidding her? How many fifty-six years does a person have? Then Sui Ziyou will stay in the Golden Pearl Space for the rest of his life? Is there still time for freedom?

"What's going on?"

Ya Molian and Jiang Zuo were also stunned. Fifty-six years, they would already be over seventy by then. Even if they were alive, what else could they do?

Sui Ziyou looked at the words and smiled bitterly in his heart.

She wants revenge, but by then, her enemies will have died of old age, so what revenge does she need?
