

Star of Space 566

Chapter 566 It's been a few hours, it's over

"Miss Lin..."

Jiang Zuo was the first to react and looked at Lin Caisang.

"Wait, let me ask first."

Lin Caisang took back the golden pearl order from Sui Ziyou and put it into her own hand. After closing her eyes, she meditated for a while. After a while, she opened her eyes again and looked at Sui Ziyou.

"You used to have asthma and heart palpitations." She couldn't help but twitch the corners of her mouth as she asked.

Because the tendons and veins in Sui Ziyou's body have been almost severed, she can't treat many symptoms. Now she communicates with Jin Zhuling and learns that Sui Ziyou's broken body, even without such injuries, I can't live for more than a few years.

"Yes, she does." Ya Molian replied.

"That's right, fifty-six years is a short period of time." Lin Caisang looked helpless as he looked at Ya Molian and spoke.

"Her lifespan is not long, and if she wants to cure her injuries, she needs to extend her lifespan, cure all the congenital diseases, and then evaluate her physical condition after being cured. Only then did we get the shortest time limit of fifty-six years."

"Sang'er, then for the rest of her life..." Ya Molian glanced at Sui Ziyou and hesitated.

After all, she was his cousin and she was saved by him. He also hoped that she would be well in the future.

"There's nothing I can do about this. After all, it's not something I can do, it's up to her." Lin Caisang shrugged and said.

She was also very helpless. If it wasn't to save people, how could she be willing to tell them her secret? It was too late to hide it. Now, I don't know if Jiang Zuo regarded her as a man-eating monster. .

"Your name is Sui Ziyou, right? You can make up your own mind. In fact, for me, it doesn't really matter whether you make a contract or not. At most, it's just a matter of me completing a few more missions."

Yes, if she did a few more tasks and clicked on the automatic mode, nothing would happen.

"I contract."

Sui Ziyou's eyes were fixed and he said to Lin Caisang.

"Ziyou, are you sure?" Jiang Zuo asked after hearing her words.

"You have to think clearly. Your contract with Miss Lin will be ruined for the rest of your life."

Lin Caisang: "..."

How does this Jiang Zuo speak?

She raised her hand and slapped him on the back of the head unceremoniously. She spoke angrily.

"If she doesn't make the contract, her whole life will only last a few hours tonight, and it's over."

"Well."

Jiang Zuo immediately choked on Lin Caisang's words.

Lin Caisang didn't say anything else to him, and directly put the Golden Pearl Order into Sui Ziyou's hand.

After a while, the Jin Zhuling disappeared in Sui Ziyou's hand. She felt refreshed and all the pain in her body disappeared. She raised her hand stiffly, touched her chest, and then kissed Ya Molian and Jiang Zuo. He sat up under his gaze.

"Brother Mo, Jiang Zuo, I...I'm okay? It doesn't hurt at all."

What an amazing skill, it made all the injuries on her body disappear in one go, and even the oppressive feeling caused by asthma disappeared. It felt so relaxing.

When Jiang Zuo heard her words, he was stunned.

He never thought that what Lin Caisang said before was true. He always thought that it was an excuse Lin Caisang wanted Sui Ziyou to find for her to be a slave.

"Ziyou, are you okay? Are you really okay?" he asked uncertainly.
