

Star of Space 567

Chapter 567 Just blocked it stupidly?

"I....."

Sui Ziyou just wanted to answer, but he saw the object in front of him flash, and the person had appeared in the golden bead space.

"Ziyou? Palace Master, Ziyou is missing!"

Jiang Zuo in the room screamed in shock when he saw Sui Ziyou disappearing in front of his eyes.

"Palace Master, Ziyou... ugh!"

Before he could finish shouting the next words, Ya Molian directly tapped his mute point, and he couldn't say a word.

"Don't say a word about what happened today. We have never seen Sui Ziyou. Did you hear that?" Ya Molian warned Jiang Zuo coldly.

"That's right, if you dare to say it, you won't have to see Sui Ziyou again in this life. 6" Lin Caisang added after him.

She could see that Jiang Zuo would become like a lunatic whenever Sui Ziyou was in trouble. Only by talking to Sui Ziyou about the trouble could he calm down.

"I....."

Jiang Zuo opened his mouth.

"You don't need to say anything. Now, go out and clean yourself. Don't look back and scare the people in the village." Lin Caisang interrupted him and ordered.

Jiang Zuo had no choice but to go out angrily.

After Jiang Zuo left, Lin Caisang looked at Ya Molian and said, "Go to your room and I will give you medicine."

"Well.

Hearing her words, Ya Molian touched her nose with some guilt.

He originally wanted to hide his injury from the little girl, but in the end he couldn't hide it from the little girl's sensitive sense of smell.

...

In Ya Molian's room, the two of them were sitting on the bedside, one behind the other. Lin Caisang looked at the two whip wounds on his back.

"These two whip wounds are very serious. If you hadn't been protected by your strong internal strength, I would have been just like Sui Ziyou, with all the internal organs damaged." She said bluntly to Ya Molian.

"This is the bone-piercing whip in my clan. It is used to punish rebellious people who betray the family. Ziyou is a soft little girl. There is no way she can withstand those three whips. I can only take my place."

Ya Molian explained.

"Isn't she a mastermind?" Lin Caisang asked angrily.

Look at Jiang Zuo's anxious look just now, and the aura with which he talked to her. Shouldn't he be taking the whip for Sui Ziyou?

"Jiang Zuo?"

Yamolian shook her head.

"Jiang Zuo is not a member of my clan and has no right to whip Ziyou for you. Moreover, even if he wanted to, with his little skill, many people would die."

"So you just blocked it stupidly?"

Lin Caisang glared at his back angrily, so angry that she didn't know what to say.

"Tell me, what's going on with Sui Ziyou?"

"Ziyou has been frail and sick since she was a child. She was originally a person who was abandoned by her family just like me. But by chance, the clan leader discovered that she had the ability to remember photographs. Since then, she has been raised well. , to put it mildly, it was because the clan leader paid attention to him and sent many people to look after him, but in fact he was put under guard and lost his freedom. "

Yamolian's faint voice reached Lin Caisang's ears.

"Jiang Zuoben was the doctor in her palace and had been in love with her for many years. But Ziyou was just a pawn in the hands of the clan leader. How could he let her have anything to do with Jiang Zuo, so he secretly wanted to Except for Jiang Zuo, it was me who saved him."

"What about this time?" Lin Caisang asked.

"The clan leader wanted to marry Ziyou to a cousin in the clan, but Ziyou refused and rebelled against the clan. I got the news and rushed to save her, so I rescued her. However, I only had time to replace her. After blocking two whips, she still got one."

Ya Molian shook her head and said.
