

Star of Space 570

Chapter 570 Opened with excitement

...

The next day, Lin Caisang went directly to Ya Molian's house. He rudely gave a lot of orders to Jiang Zuo who was in a daze, and then handed him two sheets of paper filled with lists.

"Get these things ready."

"ah?"

Jiang Zuo was stunned, not understanding what Lin Caisang wanted to do.

"Miss Lin, what are you..."

After a night of thinking, he has figured out that even if it is difficult to see Sui Ziyou in the future, it will be much better than before. At least Sui Ziyou no longer has to be squeezed by those in her family.

"These are all things Ziyou needs to use. Why, you don't want to prepare them for her?" Lin Caisang raised an eyebrow, looked at him, and asked.

"No, I am willing."

Jiang Zuo nodded immediately, took the paper in her hand into his own, and read it carefully.

"Miss Lin, why are there still pots and pans here? Do you want Ziyou to cook by yourself? How can she..."

"If she doesn't do it, should I do it for her?" Lin Caisang interrupted him and asked her.

"Well!"

Jiang Zuo was speechless.

It was of course impossible to ask Lin Caisang to do it for Ziyu. The master of his palace held Lin Caisang in his hands every day. Would he let her have to work hard by cooking and washing her every day?

But as for Ziyu, will she do it?

"Hurry up and get ready. By the way, the most important thing is to prepare a bed, as well as something to sit on and lie down on. Anyway, I have everything I wrote here. If you can think of something else, you can also prepare it.

After Lin Caisang finished speaking to him, he went directly to find Ya Molian.

Jiang Zuo behind him: "..."

What is this situation? Can anyone explain it to him?

"Miss Lin, are you here? The master of the palace happens to be having breakfast, would you like to have some too?" Exiled Jue asked Lin Caisang, holding his own porridge in his hand.

"I have already eaten."

Lin Caisang shook his head and glanced at Jiang Zuo in the yard again.

I thought to myself, it's a good thing that the courtyard walls of Ya Molian's house are high and the courtyard door is also made tight. Otherwise, if he was sitting in the courtyard like this, people outside would have noticed him by now, right? What a worrying guy.

"Exiled Jue, you'd better let Jiang Zuo go back to his room and stay in a daze." After thinking about it, she finally told Exiling Jue.

No matter how high the wall is, there is no chance that someone will come in to look for someone. What if Jiang Zuo is actually seen? Why doesn't this guy know how to avoid it?

"No, Miss Lin."

Ban Jue also looked at Jiang Zuo, his tone a little helpless.

"The master of the palace ordered him to live in the bamboo house. Didn't you also give him some tasks? He has been busy recently."

"That's good."

Lin Caisang nodded and went into the hall to find Ya Molian.

...

Two days later, in Qianlin County.

The Lin family was brought to Qianlin County by Lin Caisang. 'Weijuxiang' opened in a lively manner. Although there were not many people coming and going, there were still a few customers who came to see the new shop opening. A lively one.

Because it was the first day of opening, everything was cheaper and a lot was sold.

Lin Caisang didn't pay attention to the rest, but she saw the corners of her grandma's and grandma's mouths smiling from ear to ear. They were happy, and she was naturally happy too.

The shopkeeper of Weijuxiangli and a waiter were brought over by Jiang Li. Lin Caisang had already warned them in their ears that they should not let anything slip when they met the grandpa and grandma.

After watching in the shop all morning, Lu Qiubo and Lin Laogan thought about going back when they saw that nothing happened.
