

Star of Space 590

Chapter 590 Disappear in front of your eyes!

"I don't care what this person's name is, just because he dares to accuse you in front of me, I won't use such a person. Do you understand?" Lin Caisang interrupted Zhang Shunlai and said directly.

After hearing her words, the young man's proud mouth froze.

"Dong...Dong, why? What I'm telling you is the truth. This Zhang Deye really doesn't know anything. He's just a handyman!"

He was obviously the one who told his employer about the scandal between Zhang Shunlai and Zhang Deye's uncle and nephew. He thought he would be the one who would be left behind, and he would be promoted by his employer as the steward on the second floor.

Why did he get kicked out in the end?

"You also said that Zhang Deye was just a handyman before. Lin Caisang looked at him and gave him an explanation.

"Just because Zhang Shunlai was a shopkeeper in the restaurant where he once worked, and his nephew was just a handyman there, you should know that Zhang Shunlai has never been partial to Zhang Deye, he just wanted Zhang Deye to learn from the bottom. If Zhang Shunlai really wanted to favor Zhang Deye, Zhang Deye should not have been a handyman in the past. "

"this....."

The young man listened to Lin Caisang's words and stopped talking.

"Old Zhang, let him go. I won't keep people like this here. You will also pay attention to me in the future. If you recruit people like this, whatever secrets I have in my Baiwei snacks will be spread all over the street. Know."

Lin Caisang said to Zhang Shunlai.

"Yes, miss." Zhang Shunlai responded.

What happened to this guy was that he was careless. He just thought he came with his nephew and thought he was sincere in doing things. When he heard him crying and complaining about how miserable he was, he still sympathized with him.

But he didn't expect that this guy would really dare to stab him in front of him!

"You little man, let him go now. Deye, go get his baggage and let him go now."

"Okay, uncle."

Zhang Deye originally thought that he was his friend, but now that he had done something like this, he didn't care who this person was, he had to make him disappear before his eyes!

...

Yacun.

After Lin Caisang left, there were quite a few people who came to Lin's house to look for her, and not all of them came empty-handed. They either had food or other things in their hands.

Lu Qiubo said, "Sang Sang is not here," but he didn't take anything from anyone, not even a bunch of vegetables.

"Old man, tell me what is this?"

Seeing those people poking their heads outside their yard, Lu Qiubo was really amused by those people.

Is it interesting to come here with something like this? Her family has so much land in the wild and barren mountains, is it possible that she can't even eat bundles of vegetables? Let's not talk about vegetables. Even if you bring the best things, you know they won't accept them.

"There were quite a few people from Changhong who came to help cut rice, but he rejected them all. He must have understood that if he accepted their favor now, he would have to look at their faces in the future."

"Who says it isn't?"

Lin Laogong also shook his head, but he had no choice. Those people were coming to his door. Could he still yell at home and tell no one to come?

This is naturally impossible.

"Dad, Mom, I'm back." As he spoke, Yang Lin walked in carrying a bamboo basket of pigweed.

Lu Qiubo looked over after hearing the sound and immediately frowned.

"Alin, I told you not to carry these heavy loads, why didn't you listen? Just leave these tasks to Qing Yatou and Chang Yi, and you can rest for mother."
