Chapter 595 Why not?

"When Lin Caisang is in Qianlin County, he will be famous in Ye County. And Lin Changfeng has Lin Caisang as his cousin, will his previous future be any worse?"

That's what she was worried about. With Lin Caisang supporting Lin Changfeng, Lin Changfeng might rush ahead of Zhou Liang?

"Why don't you understand!" Zhou Liang laughed.

"Even if she really planted it, the credit cannot be hers."

"What do you mean?" Liu Yushui asked him.

"Ye County is so big. If it is possible to grow two crops of rice, who wouldn't want to take the credit for it? The magistrate of Qianlin County and the magistrate of Ye County are all thinking about themselves. Who would care about Lin Caicai? A commoner asked her to go on a business trip. Did she ask the adults if they were willing? "

"this....."

After listening to his words, Liu Yushui thought about it and felt that it made sense.

"That....."

"Then think about it again, if those people take the credit for Lin Caisang's work, will they still let Lin Changfeng pass the exam and go to Jian'an to participate in the Spring Festival next year? It would be better if he meets a generous person, at least he won't add insult to injury. , I just tried to stop him, but if he had been replaced by someone a little more vicious, the whole Lin family would have died!"

Zhou Liang continued.

When he mentioned the word 'death', he raised his hand and made a murderous gesture on his neck, his face even more proud.

Poor Lin Caisang thought she was helping Lin Changfeng, but in fact, she had already harmed Lin Changfeng. She was really stupid when she thought about it. After all, she was a woman, with long hair and short knowledge. This couldn't be more true.

"Okay, I can't tell you anymore here."

After looking at the time, he let go of Liu Yushui.

"I have to leave so soon, and I haven't finished talking yet."

Seeing that he was about to leave, Liu Yushui grabbed his sleeve with a look of reluctance on his face.

"If I don't go back, my mother will find out that I sneaked out." Zhou Liang pulled back his clothes and said.

"Then when will you come again?" Liu Yushui asked quickly.

"The day after tomorrow, you must be ready the day after tomorrow. If you shirk it again, I will never come again." Zhou Liang stretched out his hand, pinched her face hard, and looked at her body with evil eyes.

"this....."

When Liu Yushui heard what he said, his face froze and he was very embarrassed.

"Brother Liang, I'm still pregnant with my child. This...can't be done."

Every time this man comes to her, he acts like a pervert, wanting to do this or that with her, but now that she is pregnant with her child, if something happens to her...

She also wanted to marry into the Zhou family with this child. If she and Zhou Liang were confused and lost the child, then she would lose her future security.

She would not do such a stupid thing even if Zhou Liang coaxed her.

"Why not?"

Seeing her refusal, Zhou Liang frowned and asked.

"Didn't you say that your fetus is very stable and nothing happened? When I saw my uncle and aunt pregnant with the child, I didn't do it there the same way. Why did it not work when I came to you?"

"I....."

Liu Yushui opened his mouth, feeling bitter.

Can that be the same? There are so many houses in the Zhou family, so you can definitely do it anywhere, but as for her, she has to be secretive when going out with Zhou Liang, and she has to do it in this small bamboo forest.

She was just afraid of what might happen.

"Otherwise, when my father and my mother go to town one day, we will be at home..."
