

Star of Space 596

Chapter 596 Be Stronger

"Wait a minute, how long do you want me to wait?"

As soon as Zhou Liang heard her words, his face immediately dropped and he waved his sleeves at her.

"Yushui, let me tell you, if you are not willing, there are a lot of people over there who are willing. When the time comes, as long as my mother says a word, I will be able to carry three or five aunts in immediately, and it will not be me then. Do whatever you want, are you sure you want me to do this?"

"No, no."

Liu Yushui was frightened by his words and quickly grabbed his sleeves and shook her head.

Just for this matter, Zhou Liang actually wants to find another woman, but this is Zhou Liang's business. As long as Zhou Liang's mother agrees, it is okay. She, who has no relationship with Zhou Liang now, can't say anything. explain.

"I...Brother Liang, I'm going to prepare. Why don't I prepare?"

Gritting her teeth, she finally nodded.

"How about, don't get ready, just do it now." Seeing her relent, Zhou Liang immediately raised his eyebrows and said to her.

"What? Now... now?" Liu Yushui was so frightened that his hands relaxed.

"What, you don't want to do it again? Then I'd better go find someone else." Zhou Liang's face wavered, trying to scare her.

"no, do not want."

Liu Yushui shook his head again, his silver teeth almost shattered.

"Brother Liang, aren't you...going back? If Aunt Zhou finds out, then..."

She still wanted to refuse. After all, she was pregnant with a child, and Zhou Liang would not be able to care so much when the time came.

"What's the matter? I'll just walk faster later. Yu Shui, come here quickly. Let's go over there and be more hidden." How could Zhou Liang let her refuse? He pulled her deeper. Walking among the bamboo forests.

...

Less than half an hour later, the two people walked out of the small bamboo forest one after the other.

Zhou Liang walked in front, his face full of pride, and the wind was blowing under his feet. He hurriedly said something to Liu Yushui, and then disappeared out of sight.

And Liu Yushui, not far behind, was holding her belly, her face was even more pale, her hair was messy and stained with weeds, and the clothes behind her were even more dirty.

A pair of hateful eyes stared at the figure who was about to disappear in front of him.

"Zhou Liang, you really don't deserve to be a father!"

Knowing that she was pregnant with his child, he still ignored her like this. This was simply killing both mother and son. When she was in pain just now, she cried and begged for mercy, but she didn't get Zhou Liang's mercy. He even He didn't stop moving.

However, the matter has come to this, and now it is too late to clearly see Zhou Liang's character. Her child is now more than six months old. If she does not give birth to the child, she may die from this child.

And the Liu family...

Let her face Liu Baixiao's beatings and abuses every day and live a life of slavery. Such a life is not what she wants to live.

She could only choose between Liu Baizhe and Zhou Liang. Fortunately, Zhou Liang could still coax her a few words. Although he would treat her badly in that matter, he treated her well at other times.

"Kid, you have to be strong."

She held her stomach with one hand, supported a bamboo tree beside her with the other, and took a deep breath.

It can be predicted that after she relents this time, Zhou Liang will definitely ask her to do that with him again and again. If the situation today...

It is simply unimaginable whether this child will be saved!
