

Star of Space 597

Chapter 597: Stand still and don't run away

"No, I must find a way to get rid of Lin Caisang!" She gritted her teeth and said.

As long as the scourge of Lin Caisang is eliminated, Lin Changfeng will have no one to rely on. She can also relax Zhou Liang and let him come to Yacun less often. In this way, she will be safer.

...

In Ye County, Lin Caisang and Zhang Shunlai decided on the opening date, and after agreeing on the delivery date, they were ready to go back.

Because Ye County was far away, she couldn't come here often, so she let Zhang Shunlai make the decision on the opening day, also because she wanted to delegate the power to Zhang Shunlai and test his character.

Soon, she and Ya Molian returned to the village.

"Ouch!"

As soon as she entered her yard, she was hit by a black thing. She was so frightened that she ducked to the side. Fortunately, there was a Yamolian beside her, who pulled her hard and avoided it.

With a 'thud', the thing fell to the ground. She looked for it and saw that it was a wooden stake, and the person who threw the wooden stake at her turned out to be Liu Rumei.

"You Lin Caisang, you dare to trip up with me, don't you? I'll beat you little bitch to death, just stand still and don't run away."

When Liu Rumei saw her, it was as if he had seen an enemy. He raised his foot and rushed forward towards her. Seeing this, Ya Molian raised his foot and kicked Liu Rumei away.

"ah!"

Liu Rumei fell directly to the mud and screamed in pain.

"Sangsang, are you okay?"

When Lu Qiubo saw that his granddaughter was almost injured, he quickly came over to check and asked with concern.

"It's okay, grandma, what's going on? How dare she make trouble at our house?" Lin Caisang shook his head and looked at Liu Rumei and asked Lu Qiubo.

Could it be that the lesson learned last time was not enough, or that Liu Rumei had healed her scar and forgot about the pain, and just after a while, she wanted to work harder and injure herself all over again?

"It's not like this woman is sick. Something happened in her own family, and she dared to blame our family. She really is nothing!" Lu Qiubo glared at Liu Rumei, who was lying on the ground moaning, and said.

However, Liu Rumei is not a thing, she has known it for a long time.

"Liu Rumei, let me tell you, if you dare to come to my house next time, it won't be as simple as kicking you. Get out of here!"

"You want me to get out?"

When Liu Rumei heard Lu Qiubo's words, she didn't care about the pain of being thrown and stood up directly.

"Who the hell do you think you are, you dare to tell me to get out? The granddaughter you raised has done nothing to harm my family Yu Shui. I will tell you this, if anything happens to the child in my family Yu Shui's belly, I want your whole family to be buried with you!"

She wanted to rush over and fight Lin Caisang, but looking at Ya Molian who was blocking her way like a door god, how could she dare to move? She could only use her words to get over it.

"Grandma, what's wrong with Liu Yushui?" Lin Caisang asked Lu Qiubo.

"Who knows? I don't know who I was fooling around with. I got fetal contamination, and now I'm lying on the bed dying or dying." Lu Qiubo looked at Liu Rumei and said word by word.

Hearing this, Lin Caisang raised his eyebrows.

Who else could Liu Yushui fool around with, but that scumbag Zhou Liang?

Could it be that something happened to Zhou Liang that caused something to happen to his stomach? Do these two people really dare to do this? Do they think that having a child is like hanging a carrot around their waist?

"Then why did she come to our house to cause trouble?" she asked again.
