

Star of Space 598

Chapter 598 That's enough

"she....."

When Lu Qiubo thought about what Liu Rumei said when he came to her home before, he didn't know whether to be angry or laugh.

"She said that her daughter had fetal contractions because you hated her daughter for taking away such a 'good' fiancé of yours, so you cursed her daughter in your heart, which caused Liu Yushui to have fetal contractions!"

"That's what it is!"

When Liu Rumei heard Lu Qiubo's words, her voice became louder.

"Old immortal, no one in your family is a good person. My daughter is not good. Let me tell you, my daughter is destined to be wealthy and will give birth to grandchildren for the Zhou family in the future. Lin Caisang, if you dare to harm my daughter again, I'll kill you... ow!"

Before she could finish her words, two front teeth were shattered by stones flying from nowhere. The pain caused her mouth to bleed, and she could only cover it with her hands.

Lin Caisang: "!!!"

She glanced sideways at Ya Molian beside her. Regarding Liu Rumei, she absolutely admired her idea.

Also, it was obvious that something happened to her daughter when she was hanging out with Zhou Liang. It was too late to hide such a big scandal, but she could still come to her house to do nothing about it.

"Liu Rumei, you are really a person who never looks back until you hit the wall. Why do you have no idea why your daughter had fetal convulsions?" She looked at Liu Rumei and asked her.

Hearing this, Liu Rumei's eyes darkened, and a trace of nervousness flashed across her eyes.

She knew her daughter Mo Ruomu, not to mention Liu Yushui pestering Zhou Liang, it was her idea, how could she not know? But can this be said? Of course not, not even in front of Liu Baixiao.

"Why, of course it's because of you. It's you who caused my family's misery!" She pointed at Lin Caisang with her other free hand, and said vaguely even though her mouth was hurting.

"I?"

Lin Caisang pointed at himself funny.

"Liu Rumei, you should tell me what you want to do, right?"

She didn't believe that Liu Rumei would come to her door just because her daughter had fetal convulsions. After all, Liu Rumei was not stupid and knew that there would be no benefit in fighting her in this village.

What is that for?

"I'll ask you to pay for my jade water!"

Sure enough, Liu Rumei did not disappoint her and spoke directly to her.

"Yushui is still lying on the bed. The doctor prescribed the medicine. It's all your fault. Naturally, you have to pay for the medicine. Didn't you go to the county to get the money? Where is the money? Give me all the money. , otherwise, I won't let you go!"

Lin Caisang: "..."

Sure enough, this vicious mother and daughter will never rest in peace.

At this time, he came to her to ask for money, and he also used Liu Yushui's fetal movement as an excuse. This was to force her to die.

Is she thinking that as long as she has no money in her hand, Lin Changfeng will not be able to go to Ye County to participate in the Autumn Festival? This mother and daughter are really fed up. I really don't know what to say to them. I really think she is the one who was taken advantage of.

But they didn't think about it. Her shop had only been open for so many days, and she could already provide Lin Changfeng with the money to go to Ye County to take the exam.

But there is still some time before Qiuwei. At worst, wouldn't she just wait a little longer? Is it possible that they want to come to your door again and again and stalk you? Besides, would she let them plot against her like this?

"Liu Rumei, you bitch, I know you have no good intentions, get out of here!"
