

Star of Space 599

Chapter 599 Let's see who is more ruthless between the two of us!

When Lu Qiubo heard Liu Rumei's words, he was stunned for a moment, but he quickly came to his senses. He directly picked up the broom on the side and hit Liu Rumei head and face.

"If you want Sang Sang's money, go ahead and daydream. Even if Sang Sang's money is wasted, it will not be given to a vicious woman like you!"

She should have thought that Liu Rumei now lives in the village and should be more afraid of them. Why would she pour dirty water on Sang Sang just because Liu Yushui had fetal gas?

It turned out that it was for the money in Sangsang's hands!

"ah!"

Liu Rumei was hit hard, her whole body hurt, and she ran out quickly.

"Lin Caisang, if you don't give me money, just wait for me. If you can, don't leave the Lin family gate in the future. Otherwise, I want you to look good. I'm barefoot and I'm not afraid of you wearing shoes. Look at the two of us. Who is more ruthless?"

The sound got farther and farther, but it had already spread to half of the village.

"call!"

After Liu Rumei left, Lu Qiubo let out a heavy breath and then looked at Lin Caisang.

"Sang Sang, how's Weijuxiang doing? Is business good?"

"It's okay." Lin Caisang smiled.

"Grandma, where's grandpa? Why haven't you seen him?"

"I was pushed up the mountain by your third uncle." Lu Qiubo replied.

When she mentioned the old man in her family, she shook her head helplessly. After all, it was her own self. After so many times, she still didn't see the true face of this son clearly, and she still thought that he could change.

But what could she say? If she turned around and told the old man her thoughts, maybe it would leave an impression in his mind that she didn't care about family ties, so she'd better say less.

"If your grandpa saw what happened today, he would be very angry. Fortunately, no one is at home."

Thinking about it, she said.

"I guess we will come again tomorrow." Lin Caisang turned around and looked outside the yard and said.

Liu Rumei is like a dog-skin plaster. If she doesn't get what she wants, she will definitely come back again.

"Grandma, you have to be at home tomorrow. We little ones can't do anything to her, but you are the elder. It's okay to hit her and scold her." She looked at Lu Qiubo.

"Grandma knows."

Lu Qiubo naturally nodded and put down his harsh words.

"If Liu Rumei dares to come tomorrow, I want her to look good! Sang Sang, Mo Lian, are you hungry? Go sit in the main room first. Grandma will cook for you and cook two side dishes for you."

"Thank you grandma."

Lin Caisang touched his belly, thanked him and went to the main room with Ya Molian.

...

"If you can't do it, I'll do it."

The two of them sat down, and Ya Molian spoke directly to her.

Liu Baixiao and his family couldn't be allowed to make endless noises in the village. Sonny took care of the two elders, but he didn't need to, he just killed them!

"No, let them make trouble."

Lin Caisang didn't want to be cruel to Liu Baixiao's family.

"The more they make trouble, the worse our life will be, and it won't be us. Moreover, even though Grandpa doesn't talk much on weekdays, he has a bright heart. He knows everything we have done."

She also didn't want to leave a bad impression on her grandpa.

"They are making trouble for them, so we can just live our lives as usual. This will be better. Looking at grandpa, Liu Baixiao's family is getting more and more disappointed. It will be over soon."
