

Star of Space 601

Chapter 601 Who can bully me?

"It seems that we really need to think of a solution. For an eleven-year-old child to be sent to the battlefield to die, all he needs is a little money. It's hard to imagine the darkness of officialdom.

...

After the two of them had eaten, Lin Changhong and the others also came down Menghuang Mountain, and Lin Chushui had just come back from school. He took advantage of the fact that he was not busy on Menghuang Mountain, so he took a break to ask the old gentleman for advice, and met a few more Character.

Ya Molian had already gone home, and Lin Caisang took Lin Chushui out in front of everyone.

"Grandma, what are Sang Sang and Chu Shui doing?" Lin Changhong watched his sister take Lin Chu Shui away, and suddenly felt that her sister was no longer close to his big brother.

"What do you care about Sangsang? Just take care of yourself." Lu Qiubo glared at him.

"Grandma..."

Lin Changhong looked at Lu Qiubo. Why did he feel that something was wrong with his grandma? Could it be someone who made her angry?

"Grandma, are you okay? Who bullied you?" he asked.

"Who can bully me?" Lu Qiubo said angrily.

Even if Liu Rumei comes, she, as a mother-in-law, will not let herself be offended. If she really dares to come tomorrow, let's see how she deals with her!

"Why are you talking so much? Go wash up and eat."

"oh."

Lin Changhong saw that Lu Qiubo's face was not good, so he didn't dare to say any more and nodded.

"Sang Sang, don't you want to eat?"

"Sangsang has already eaten. When you come back, the day lily will be cold. How come you, the elder brother, don't know how to feel sorry for your sister?" Lu Qiubo looked at him and said.

Lin Changhong: "..."

Doesn't he feel sorry for his sister?

What Ah Nai said meant that he didn't love Sangsang very much. He treated Sangsang like a ball in his eyes.

"I'm going to wash my hands."

"Mom, has anyone come to the house?"

Lin Baiyi picked up the wooden pile that was thrown at the edge of the yard and asked Lu Qiubo.

He dug this wooden pile back from the mountain and wanted to make it into a small ornament. It was not originally placed in that corner.

And his mother doesn't know how to play with wooden piles. She only needs to exercise to cut rice on the deserted mountains. There is no need for anything else. Therefore, someone must have thrown this wooden pile over there.

"Who has been here?"

"Who else could it be?"

Lu Qiubo asked his son angrily.

Seeing the wooden stake, the two of them should have known for sure that whoever came to their house to quarrel would dare to hit someone with a wooden stake, except that family.

"Has the second brother's family been here?" Lin Baiyi was not stupid and understood immediately.

"What does she want to do? She's always known what's going to happen, and I don't even want to see if she still has the chance to do it."

"Her daughter, I don't know what she did. She got fetal gas and is lying on the bed now."

"What's going on? Are you here to borrow money?" Lin Baiyi asked immediately.

Liu Baixiao had been in the village for some time, and he naturally knew how stingy Liu Baixiao was towards Liu Rumei and Liu Yushui, and would not spend a single coin on them.

"It's better to borrow some money."

Mentioning Liu Rumei, Lu Qiubo made himself angry again.

"This woman is really nothing. She actually wants to blame her daughter's fetal convulsions on our Sangsang, saying that she was cursed by Sangsang."

She became angry when she mentioned this, especially when she thought that her old man still had illusions about Liu Baixiao, her son. She became even more angry. She turned her head and glared at Lin Laogeng, who was being washed by Lin Caiqing.
