

Star of Space 605

Chapter 605 Did you eat it?

"Look at how ugly you look now. Your mouth is full of the smell of blood. How are you going to serve me later? Ah? You idiot, why don't you think about the consequences of doing things? If you want me to face your face, I will run away if I see it. Face?"

"I....."

If this had happened before, Liu Rumei would have greeted Liu Baixiao with a slap in the face, but now, how could she dare to say no? She had to remain motionless and let Liu Baixiao create one purple bruise after another on her body. Traces come.

"I...don't I have money to pay for Yu Shui's pregnancy medicine?"

She muttered softly.

"What, what else do you want to give that dead girl?" Liu Baixiao became even more angry after hearing her words.

"I thought the money you went to beg for was for me, but I didn't expect it was for those prodigal little things. The piece of meat in her belly should have fallen off a long time ago. When I turn around, I will kick her out!

She complained of stomachache after working all day, and all the food was given to her. Why didn't she die? Bitch, you and I are all bitches! "

Liu Rumei didn't dare to reply anymore and could only look at Liu Baixiao pitifully.

"Get out, get out and clean yourself!"

Seeing her look like that, Liu Baixiao felt a chill in his heart and waved his hand at her.

"I feel unlucky when I see you. Look at your unsatisfactory belly. Yang Lin is as big as you. How can I get pregnant? What about you? This belly is flat no matter how it is made. What's the use of you!" "

Liu Rumei looked at Liu Baixiao with concern. She had no place to express her anger and could only hold it in.

"Get out of here!"

Liu Baixiao stretched out his hand to pinch her again and cursed.

"If I had known that you two were so virtuous, why would I have brought you back? With that money, I might as well find an obedient one here, who could give me more sons and take care of everything in this family. Take care of it, look at you, you can't do anything well!"

Liu Rumei listened to his yelling and cursed, and went out with the basin.

When he came to the yard, he poured the water into the yard casually, put the basin on the ground, wiped his tears, and went to Liu Yushui's room.

"Mom, you're here, where's the food?" Liu Yushui was lying on the bed, covering her stomach with her hands and not knowing what to think. When she heard the door open, she quickly struggled to sit up.

A pair of eager eyes glanced at Liu Rumei's arms and asked her.

"Well, this is the only one left today."

Liu Rumei handed the wowotou hidden in her arms to Liu Yushui.

"Why is there only one? There were two a few days ago?"

Liu Yushui took the wowotou, frowned and muttered unhappily, and looked at Liu Rumei.

"Mom, did you eat it?"

"What happened if I ate it?" Liu Rumei was in a bad mood today and her mouth still hurt. When she heard her daughter's doubtful words, her face suddenly turned livid.

"You serve the whole family every day, can't you still have a full meal? Do you really think of me as a mother?"

"Well."

Liu Yushui was questioned by her mother and lowered her head with a guilty conscience.

Since the last incident, she no longer regards Liu Rumei as her biological mother. Now, she only thinks about being able to eat and drink enough, raise the child in her belly, and marry into the Zhou family in the future.

"Mom, what are you talking about? Aren't I worried about your grandson? This is the last protection for us two."

The guarantee is true, but it is only her guarantee. It has nothing to do with her mother. She will never have anything to do with the Liu family in the future, not at all!
