Chapter 609: Provoke conflicts

"Then...Mom, go and do it quickly, I'll go first. She gritted her teeth and finally agreed.

"you....."

Liu Rumei looked at her daughter hurriedly walking out and could only sigh and shake her head.

I really don't know whether it was right or wrong to support my daughter to be with Zhou Liang in the first place. Why did it end up like this in the end? That Zhou Liang didn't look like this before. Why did he become this virtuous now?

But now is not the time to think about Zhou Liang's virtues. The most important thing is to free himself from this miserable life.

Thinking about it, she made up her mind to get Liu Baixiao's food out first, and then hurriedly went to the dental shop in the county to see if she could find a little girl with her eyes closed, so that her daughter would be better able to catch him in the future. Zhou Liang was heartbroken.

...

When Liu Yushui came out of the small bamboo forest holding her stomach again, Liu Yushui's face became paler every time, but Zhou Liang could no longer control her and went back directly. Dragging heavy steps, she walked home step by step.

"Hey, isn't this Miss Liu from the Lin family who often comes to the Lin family? What's wrong with you?"

Suddenly, a voice came from behind, which made Liu Yushui tremble all over and made her stomach hurt even more.

"ah!"

She screamed out in pain, and her body was about to lean forward.

"Ouch, what's going on?"

Fortunately, the little girl who made the noise from behind pulled her in time so that nothing happened to her.

"Miss Liu, you...ah, are you...pregnant...with a child?"

The little girl wanted to ask Liu Yushui what was wrong, but when she saw her belly, she was so frightened that she let go of her hand and took a step back.

"you you....."

She didn't remember that Liu Yushui was already married. Moreover, she once secretly saw Liu Yushui dating Lin Caisang's fiancé in the woods. Why did she only go to her grandma's house a few months ago? , Liu Yushui's belly is so big?

What's going on?

"It's Miss Yuju." Liu Yushui looked at the little girl, forcing a smile on his pale face.

Ya Yuju is the granddaughter of Ya Clan Chief, and she is quite favored at home. Therefore, she is also a little girl who is used to running wild in Ya Village. She has a very bad temper. It is rare for her to see Ya Yuju with such a good temper today. What does it look like.

"Miss Liu, which one is... in your belly?" Ya Yuju's words were always very straightforward and she asked Liu Yushui directly.

Liu Yushui's face turned dark, but he still answered.

"Zhou Liang's."

"Zhou Liang's?"

Ya Yuju's voice suddenly soared.

"Isn't Zhou Liang engaged to Lin Caisang? How could I be with you..."

"Their marriage is over a long time ago. You don't know it yet, right?" Liu Yushui looked at her steadily and explained.

Suddenly, she had a plan in her mind, because she knew that Ya Yuju had a very high vision, and the only man in Ya Village that she could like was Ya Mo Lian. However, the Ya clan leader was reluctant to let his granddaughter marry far away.

Therefore, the heads of the Ya clan, including Ya Yuju, all considered Ya Molian to be members of their family.

And now, Ya Molian has an unclear relationship with Lin Caisang. I am afraid that not many people in the whole village know about it. If she gets angry with Ya Yuju in front of her, she will definitely cause trouble with Ya Yuju's temper. Went to Lin's house.

And Ya Clan Chief is a protector of shortcomings. It would be great if he could provoke a conflict between Ya Clan Chief and the Lin family.
