

Star of Space 612

Chapter 612 I guess there will still be trouble

After she ran away, Lin Baiyi helped Yang Lin and Lu Qiubo helped Lin Caisang go to the main room and let them sit on chairs.

"This Yayuju is really too much!"

Lin Laogong's face turned red with anger and he slapped the table hard.

"Changfeng, Changhong, go and invite Chief Lin over and tell him what happened today. I want to see if they surnamed Ya want to rebel in the village!"

"good."

Lin Changfeng and Lin Changhong turned to look at Lin Caisang, whose face was still ugly, then turned and went out.

"Sang Sang, how are you?" Yang Lin looked at Lin Caisang with concern and asked again.

She was supported by Lin Caisang, so nothing happened to her, but Lin Caisang, on the other hand, seemed to have not calmed down even now.

"It's okay, third aunt." Lin Caisang smiled.

It's much better now than it was just now. She can't go to the Jinzhu space now, otherwise the pain will stop long ago.

"Grandpa, grandma, tell me, I have nothing against that Ya Yuju. Why did she come to my house today?"

She still doesn't understand this. She hasn't seen Ya Yuju for several months. I heard that she went to her grandma's house far away because she was sick. She must have just come back. Why did she confront her? Are you on it?

"What else could it be because the toad wants to eat swan meat?" Lin Baiyi cursed angrily.

Who doesn't know that the Ya clan leader and Ya Yuju have fallen in love with Ya Molian early in the morning, and want Ya Molian, a young man who has no relatives in the village, to become their son-in-law.

They don't even look at what kind of virtue Ya Yuju is, can Ya Molian appreciate him?

I guess this time I heard that Ya Molian was getting close to their family Sang Sang, so I was angry and came to the door, right?

It's just that Chief Ya knew about this and didn't dare to come to their house to say anything. How could Ya Yuju be so reckless and dare to come to their house to cause trouble.

Lin Caisang: "..."

Ya Yuju fell in love with Ya Molian because she wanted to eat swan meat, but what about her before?

It seems that everyone in her family thinks she is a treasure. Let alone Yamolian, no matter how powerful she is, she is worthy of her, right?

"There's probably going to be some fuss about this matter today," she said.

Chief Ya is a man who is determined to retaliate. Knowing that his granddaughter was beaten, he still has to come to ask for an explanation. Of course, this is because Ya Yuju only said that she was beaten, but did not say how she was beaten.

...

Sure enough, after a while, the Ya clan leader rushed over with several young men from the Ya clan and Ya Yuju. He barged in without knocking on the door and started talking to Lin Laogeng as soon as he entered.

"What's the matter, do you still think you are justified?" Lin Laogong didn't talk nonsense to them, and with a cold face, he didn't even give the Ya clan leader a good look.

"Lin Laogong, what do you mean?"

Chief Ya's face was very ugly. He was insulted by Lin Laogong in public. How could he get off the stage?

"Don't think that because your surname is Lin, I can't control you. If you make me angry, I will still drive you out of Yacun!"

"laugh."

Lin Laogan sneered and looked at Chief Ya with disdain.

"Just you?"

"It's my grandpa's fault. In Ya Village, if my grandpa tells you to die, you will die!" Ya Yuju rushed out from behind the head of the Ya clan, pointed at Lin Laogan and yelled.

Let them go shopping with her, and today she will make Lin Caisang's family look good!
