

Star of Space 614

Chapter 614 Just kill her

That was Ya Molian, and his face was so cold that it made his heart tremble. Even if he was asked to be the son-in-law of their Ya family, he had to persuade Ya Molian well and let him nod in agreement.

"Grandpa, you told me clearly, I remember it really." Ya Yuju was dissatisfied and shouted even louder.

"Who is Lin Caisang? She used to be a fat pig. Even if she becomes beautiful now, she is still a little bitch who loves to seduce men. How can she deserve to fight for Brother Mo Lian from me? Grandpa, please help me. Kill this little vixen Lin Caisang, and no one will fight against Brother Mo Lian from me, hurry up."

As she spoke, she shook Chief Ya's hand to urge him.

On the other side, the young men from the Ya clan who were brought over by the Ya clan chief gasped when they heard Ya Yuju's words.

Only an idiot like Ya Yuju can say such big words, right?

Who among them would dare to attack Lin Caisang? Even if Chief Ya gave the order, they would not do it. Who would have trouble with their own stomachs? Will they have to rely on Lin Caisang to grow food in the future?

If they dare to attack Lin Caisang today, they will definitely be beaten to death by their parents and brothers when they return home later. They will not do such stupid things.

Let's talk about Ya Molian again. Is the Ya clan chief suffering from delusion?

You actually want Ya Molian to come to their house as their son-in-law? Can Ya Molian like a girl like Ya Yuju? Only Lin Caisang in their village is worthy of him, right?

In this case, Chief Ya had the nerve to say it. Thinking about it, they all found it funny.

To put it bluntly, if it weren't for Patriarch Ya's doting on his granddaughter, who would be willing to pay attention to Ya Yuju, who has such a high level of ambition that she treats everyone in the village like a subordinate.

"enough."

Chief Ya was so ashamed that his granddaughter yelled at her like this, and he shouted angrily at her.

"Yuju, what happened today was your fault. How could you indiscriminately go to your old grandpa's house to make trouble? You still don't know your mistake. Hurry up and apologize to grandpa Sangsang and the others."

Originally, he could have helped his granddaughter smooth things over, but this granddaughter was too unsatisfied and too honest, and she said everything she shouldn't have said.

Now, what should he do? I can only settle the matter and make peace with it.

But Ya Yuju didn't feel it at all when Ya Clan Chief wanted to settle the matter. She felt even more aggrieved when she heard her own grandfather scolding her like that.

"Why, grandpa, it's that little bitch Lin Caisang who robbed my brother Mo Lian. You can just kill her. She is just a little girl. She really thinks she has the reputation of a wealthy star." , can we be lawless in our Ya Village?

Grandpa, didn't you tell me that as long as I'm around, Lin Caisang will only be able to carry shoes for me in this village? In the future, she will marry Lin Caisang into our family and work for my brother. Wife, can I use her like a slave in the future?

Grandpa, have you forgotten? "

Lin Caisang: "..."

People from the Lin family: "!!!"

The people behind Chief Ya said: "!!!"

Only Ya Yuju could say such shameless words, but Ya Yuju kept saying that it was her grandfather who told her. Didn't this trick the Ya clan leader into the trap?
