

Star of Space 615

Chapter 615 It has nothing to do with us

"hehe.

Lin Caisang laughed coldly, his eyes full of frost, and looked at Chief Ya.

"Chief Ya, you are really good at planning."

"Uh, this..."

Chief Ya wanted to die now, so he just wanted to find a hole in the ground and crawl into it.

He had this plan. He wanted to wait for a while, and after the previous incident between Lin Caisang and Zhou Liang, and the fact that Lin Caisang was deceived and sold, faded for a while, he would find a matchmaker to come to Lin's house to arrange a marriage.

Moreover, when Lin Caisang was buried alive, he was also the one who stood up the most. Even because of his favor, he believed that Lin Laogan would not refuse the marriage.

As for Lin Caisang, she is just a little girl. She only needs to let her grandson coax her a few more words.

Of course, when Lin Caisang married into their family, they would naturally be free to do whatever they wanted. The little girl had been married once and had her engagement annulled. As long as they casually said this about these two things, Just saying that made Lin Caisang a few inches shorter than their family.

But this was just what he was thinking about in his mind and had not yet been made public.

"Chief Ya, you don't mean to say that these words are not yours, right?" Lin Caisang looked at Chief Ya and asked.

"This...Sang Sang, Yu Ju just said it casually, you can't take it seriously. How can the Ya clan leader admit it? If he admits it, even if he is the clan leader, I am afraid that he will not be able to live in this Ya village in the future. It will be better.

Who made Lin Caisang's reputation in Yacun really good? Except for a few people in the village who didn't like her and said a few sarcastic words, everyone else treated Lin Caisang as if she were a relative of their own.

"Can't you take it seriously?"

Lin Caisang's red lips curled up slightly, and after glancing at Ya Yuju, she turned back to Chief Ya.

"Although your granddaughter has a bad temper and is not liked by others, she rarely tells lies. For her to be able to say such things today, it must be because your grandfather often says such things in front of her, right? Otherwise, how could she be so impressed by these sentences?

I really don't know that Chief Ya's thoughts can be so bad. Does he want me to come to your house and work as a slave? Or do all you people named Ya think this way? Not all of them are kind to me? "

She raised her hand, pointed at the people behind Chief Ya, and asked pointedly.

"hiss!"

When several young men heard her words, they all gasped.

Although they had thought of ideas like Chief Ya's, they simply didn't have the courage. What's more, they really couldn't think of a vicious strategy like Chief Ya's.

Even if he really marries Lin Caisang, he will definitely treat her well.

"Sangsang, don't worry, we don't mean it." A young man couldn't hold it anymore and quickly explained.

If Lin Caisang misunderstands this, the two crops of rice next year will be ruined. Moreover, no one in the Ya clan has the life to grow two crops of rice.

"Yes, Sangsang, this is the idea of the patriarch alone. It has nothing to do with us. We were just called over by the patriarch to have a look. He didn't tell us what he wanted us to do."

Compared with Chief Yuya, they naturally picked mulberry trees for Lin. Who said that Lin Caisheng could bring benefits to them, but Chief Ya could not.

The only people who can feed and clothe them are their relatives, not to mention that the current leader of the Ya clan wants to kill them. If they don't come out and say something, what will happen?
