

## Star of Space 618

Chapter 618: He was framed

Chief Ya was about to vomit to death from her words.

Although Ya Molian lives in their Ya Village, he is not really from their Ya Village. Although his surname is Ya, there is no record of Ya Molian in the Ya family genealogy.

How does he know where Ya Molian is from?

However, how is it possible for him to give up Ya Mo Lian, the grandson-in-law he likes? No matter what, he has to fight for it. Ya Mo Lian must marry his granddaughter in the end, otherwise, he will not let him Ya Molian no longer has the surname Ya!

"Sang Sang, Grandpa Patriarch knows that you also like Ya Mo Lian, but Mo Lian and my family Yu Ju have grown up together. They are childhood sweethearts. If you really like Mo Lian, at worst, in the future, After Mo Lian marries Yu Ju, the patriarch will ask him to bring you in as a concubine. You think Mo Lian is a capable child and can afford to raise two women. What do you think? "

Lin Caisang: "!!!"

She has never seen such a shameless person. If she hadn't been from Ya Village and knew the place well, after listening to the words of Ya Clan Chief, she would have really believed that this was the case.

"Chief Ya, have you said that?"

She looked at Chief Ya, her eyes becoming mocking and contemptuous little by little.

"Why, you discussed it with Ya Molian and he agreed to marry your Ya Yuju?"

"of course!

Before even a single word was uttered, Chief Ya could no longer speak.

"But that's not what Ya Molian said to me. He and I signed a contract. When I get my hairpin, he will tie up my hair and wear a hairpin. Why, when you decided on Yuju's hairpin?" , did Yamolian go to your house? "

"Well."

Chief Ya held a breath of bad breath in his mouth, unable to spit it out or swallow it.

When Yuju got her hairpin, he went to call Yamolian. Although he didn't ask Yamolian to tie Yuju's hair and wear a hairpin, even if he went there, the two families would talk about getting married. Sometimes, he can also be reasonable.

But Ya Molian rejected him immediately. What could he do?

"How is this possible? Lin Caisang, you vixen, a man who only likes to seduce others. Zhou Liang was seduced by you in the first place, and now he comes to seduce my brother Mo Lian. He will not like a vixen like you. You individual....."

When Ya Yuju heard what she said, how could she bear it? She started yelling at her. If Chief Ya hadn't pulled her hard, she would have rushed forward and been beaten again.

After listening to Lin Caisang's words, the Lin family was also very shocked, and all their eyes suddenly focused on Lin Caisang.

"Sang Sang, when did this happen? Why didn't you tell grandma?" Lu Qiubo asked his granddaughter excitedly with a happy expression on his face.

"It won't be long." And he was deceived.

But she couldn't say the next sentence, otherwise, grandma would definitely chase Ya Molian with a broom and beat her!

"Sangsang, is this really such a thing?"

Chief Ya didn't believe it and felt that Lin Caisang deliberately wanted to show off in front of them. Other Ya Molian had never said such a thing to her.

"Sang Sang, don't just talk nonsense just for the sake of anger. We all know that Mo Lian child. He has a calm temperament. How could he do such an outrageous thing?"

"Oh, he can't do something so outrageous?" Lin Caisang shrugged and asked him.
