

Star of Space 619

Chapter 619 The consequences are at your own risk!

Yamolian can do such a thing, okay? What's more, thinking about it now, except for the written evidence, none of the things Ya Molian did to her was out of line. Instead, he helped her handle everything well every time.

Without Yamolian, she probably wouldn't be able to move even in this place, right?

"Yes, yes, he..."

"Why don't you go ask him personally, Chief Ya?"

Lin Caisang interrupted him again and suggested to him.

"Oh, by the way, Chief Ya can ask Ya Molian to see if he will marry your granddaughter. If he goes back, he will disturb his family and offend all her friends!"

"this....."

Chief Ya was speechless for a while, and after a while, he came back to his senses.

"Sang Sang, my Yuju is just a bit straight-tempered, not a bad girl. You see, you will serve the same man in the future, so you have to get along well, right?"

"Grandpa, I don't want to be with that vixen Lin Caisang..."

"you shut up!"

Ya Yuju also wanted to scold Lin Caisang, but Chief Ya covered her mouth.

He just felt that his face was completely humiliated by this granddaughter today. If he hadn't clenched his teeth and clung to Ya Mo Lian's words, his face would have been thrown to the ground and trampled on by others.

"Uh-huh!"

Ya Yuju whined and didn't know what she was talking about, but her eyes stared at Lin Caisang full of hatred.

Lin Caisang grinned and chuckled.

"Chief Ya, let me tell you this, the man I, Lin Caisang, want to marry, whether he is rich or poor, will only have me as his wife. If he dares to betray me, I will not be polite. Yes, any woman who dares to come to my door to seek misfortune will be punished by me for the rest of her life!"

"you--"

Chief Ya was frightened by her words.

Originally, he didn't need to care so much about a little girl, but Lin Caisang's eyes were really scary, so scary that the hairs all over his body stood up.

"Sangsang, you..."

"Also, Ya Molian will be my husband-in-law in the future. From now on, I hope that your granddaughter, Chief Ya, will stay away from my man, otherwise... you will be responsible for the consequences!"

Lin Caisang said again.

She's not cruel at all, everyone really thinks she's easy to bully.

"Lin Caisang, you - how can you talk like this, a girl's family still has no shame? Even if you are shameless, I am your elder after all, right? Have you ever spoken to an elder like this?"

Chief Ya was really angry with Lin Caisang. He had been the leader for so many years, but no one had dared to speak to him like this, and Lin Caisang was the first one.

"I'm shameless?"

After hearing his words, Lin Caisang laughed.

"Chief Ya, let me ask you, why am I shameless? Even if I am shameless, it is in my own family. What? I can compare to your granddaughter. I am not ashamed of myself, but I ran to Are you coming to someone else's house to humiliate you?"

"you--"

Chief Ya took a step back after what she said.

"Besides, Chief Ya, your surname is Ya, and my surname is Lin. These two families are so incompatible with each other, which of my elders can you be considered? Which uncle or grandma can I expect from the Lin clan in Ya Village? Come on, you can be called an elder here, but you...please forgive me for saying something you don't like to hear. As for you, just go and stay wherever it's cool!"

Lin Caisang said again.
