

Star of Space 623

Chapter 623 Aren't you ashamed?

If Enxi hadn't come to the bamboo house to look for him, he wouldn't have known that something like this had happened to the Lin family. Chief Ya was so courageous that he dared to say anything!

Now that he heard that he was destined to be the lone star of the evil god, he should know that he was no ordinary person, and he dared to talk about his affairs to others. It seemed that he should think carefully about how to deal with this brave man. The Ya clan leader on the other side has grown up.

"It turns out to be Brother Enxi." Lin Caisang understood.

Immediately, she looked at him and thought of his expression before. He must have gone to do something very important. But when she heard something happened on her side, she hurried over.

"Have you done everything? I'm fine here. Chief Lin should be here soon. Why don't you go and do things first?"

"It's done." Ya Molian said.

No matter how important things are, they are not as important as Sonny. Other things can be left to others.

"What are you going to do about it?" he asked.

"What can I do to prevent them from coming to my house in the future?" Lin Caisang said while looking at Chief Ya and Ya Yuju outside the yard.

Judging from Ya Yuju's expression, she must have calmed down, but the faint little eyes were staring at Ya Molian, as if Yamolian had done many unforgivable things, doting on concubines and destroying his wife.

"Brother Mo Lian, how could you do this to me? I am your fiancée. Have you forgotten how good I was to you before?" Ya Yuju covered her neck with one hand and looked at Ya sadly. Mo Lian's back.

"Yuju, stop talking, stop talking!" Chief Ya quickly raised his hand to cover his granddaughter's mouth.

Ya Molian really couldn't offend him. Even if he killed his family, he would be fine. On the contrary, their family's lives would be in vain.

If such people's hearts are with their family, it's okay to say that, but now Yamolian's heart is with Lin Caisang. The more they talk and do, the more mistakes they will make.

Ya Molian didn't dare to do anything to them in front of so many people today, but in the future, he might secretly deal with their family.

For people like Ya Molian, it is so easy to kill a whole family.

"Why didn't I say it?"

Ya Yuju pulled away Chief Ya's hand and stumbled to her feet.

"Have I not done enough for Ya Mo Lian these years? I rushed to his house to wash clothes, cook, and sweep the floor for him. Ya Mo Lian, do you still have the heart? I don't even do these things at home. Never done it before! Not even my grandpa!

I have done so much for you, how could you treat me like this? What is so good about Lin Caisang, that vixen, that you have to protect her so much? Will she cook for you? Will you do your laundry? She doesn't know how to do any of these things. She can even burn down the kitchen when she enters it at home.

Do you want to kill me for such a person? Don't you want to kill me? Why don't you kill? You kill! If you can, kill me, otherwise, I will definitely make Lin Caisang look good! "

Everyone listened to her words and looked at Ya Yuju speechlessly.

They really wanted to ask Ya Yuju, wouldn't she feel ashamed if she said such words? In order to please a man and be his mother, she specifically pointed out that she had never done these things to her grandfather who loved her the most.

Several people looked at Chief Ya, and sure enough, the expression on his face at this moment was very exciting.
