

Star of Space 637

Chapter 637 What should our family do?

"you....."

Ya Yinlai was very angry when he heard what she said.

But she couldn't say anything because she wanted to be courteous to Ya Molian and coax Ya Molian to come to her side instead of getting together with Ya Jinlai and running to Ya Molian's bed.

As a result, Ya Molian told them directly that he was moving out and would no longer live in this home.

Even now, this matter is always mentioned by her parents, which makes her have to do a lot more work in this family. Who makes her feel guilty.

"What's wrong with me? I'm doing it for our family. If Brother Mo Lian was with me back then, could he move out? It's not you who deliberately ruined the good things between Brother Mo Lian and me!"

"You can pull me down. How old were you at that time? Can Brother Mo Lian be able to do that to you?"
Ya Jinlai looked at Ya Yinlai and said.

Five years ago, both of them were only twelve years old. This girl of hers really dared to do it. If she really did it, Ya Molian could be drowned by the spittle alone. Think about it with your toes, Ya Mo Lian wouldn't do this either.

Unless he is stupid!

"Okay, you two, stop arguing!"

Seeing that the two of them were about to fight each other again, Yatu quickly shouted at them.

"One by one, why don't you let people worry? You - you don't learn well at a young age, how can you still be reasonable? And you, as a sister, you don't know how to help your sister, and you dare to shout out loudly, I usually just I taught you this, and you..."

"Me? What's wrong with me?"

Ya Ada, who was sitting aside without speaking, was frightened when he saw his own father actually looking at him.

"Dad, I didn't do anything. At most, I just spent a few taels of silver on Yamo Lian. What's the point? Anyway, he is so good at making money. Let alone a few taels, I can spend even a few hundred taels. Go ahead and do it, besides, you're spending his money too."

"you....."

Yatu was almost furious at his son's words.

"You are at home every day. The weather is so good now. Why don't you go to the mountains to collect bird's nests? If you don't collect the bird's nests, what will our family eat and drink?"

he roared.

Do you want him, an old man, to collect bird's nests? He didn't dare to go. If his calves trembled, his life would be gone!

"What am I going to do? Now that Ya Mo Lian is gone, where can I go to collect bird's nests? I won't go!" Ya Ada shook his head immediately.

In the past, he could follow Ya Molian, and at least he could pick up a few missed ones, but now, Yamolian follows Lin Caisang on Menghuang Mountain every day. He doesn't know what he is busy with. What can he do up the mountain alone? .

It's weird to be able to collect bird's nests!

"you!"

Yatu felt so angry.

But this is his only son, what can he do?

"Dad, don't worry about me, big brother, and think of a solution. People in the village are now saying that Brother Mo Lian and that vixen Lin Caisang are getting engaged. What will happen to our family if they get together? "

Ya Jinlai didn't have time to pay attention to her brother. She stretched out her hand and took Ya Tu's arm and shook it vigorously.

"What can I have..."

"Yatu, Yatu, are you home?"

Just as Yatu was about to refuse, he heard shouting from outside the yard, and he was startled.

"It's the clan leader's voice. Why is he here?"

Hearing the voice, Yatu's daughter-in-law Shen Jiaonan knew that it was the Ya clan leader, and her face showed her displeasure.
