

Star of Space 638

Chapter 638 It will be easy for you!

If it weren't for Patriarch Ya's precious granddaughter making such a fuss today, how could the matter of Ya Molian and Lin Caisang be made known to everyone? It would definitely have to be delayed, and they could still find a way.

But now...

They didn't know what to do. Should they let Yin Lai go to Ya Molian's house again and become a good friend of him? That has to be done by Yamo Lian herself!

"Who knows, you guys are here, I'll go out and take a look." Yatu stood up and walked out of the yard.

"Clan leader, why are you here free?"

Walking up to Chief Ya, he asked quietly.

"Yatu, have you heard everything about today?" Chief Yatu didn't waste any time and asked directly to Yatu.

"What happened today? What happened?" Yatu asked pretending to be stupid.

"Look, Patriarch, I just returned home. What happened?"

"It's about Ya Molian and Lin Caisang!"

Chief Ya doesn't believe that Ya Tu doesn't know anything about it. This old guy is used to pretending to be stupid. How can he not know about him?

"Oh, you were talking about Mo Lian's child. I heard a little bit, what's the matter?" Yatu nodded.

"What's wrong?"

Chief Ya Tu snorted coldly and glared at Ya Tu.

"Go tell Ya Molian that you don't agree with him and Lin Caisang. Do you hear me?"

"why?"

After hearing what he said, Yatu glared and asked.

"Then Lin Caisang is the lucky star of our village. Whoever marries her will be blessed. Patriarch, you also know this. Why can't Mo Lian's child marry her?"

As he asked, he snorted in his heart.

Don't think that he doesn't know what Chief Ya is thinking. He wants him to go out and be this evil person, and then he can take advantage of him and bring Ya Molian to his house?

Do you think he is stupid? Will he let Ya Molian go to the patriarch's family as his son-in-law?

If Ya Molian marries Lin Caisang, he can still think of a way to let Jin Lai or Yinlai go to Ya Molian's house to be aunts. Even for the sake of raising Ya Molian in the first place, that boy wouldn't dare treating his daughter badly.

But if Ya Molian really went to the patriarch's house, who would dare to send their daughter to her because of Ya Yuju's temperament?

"Why, why, because she, Lin Caisang, doesn't respect her elders and dares to talk back to me. Just because of this, we can't let people from the Ya family marry her. Otherwise, she will have to rebel in the future. !"

Chief Ya roared angrily and said to him.

"If Yamolian really marries her, you will have a hard time in the future!"

"Then... Mo Lian has already moved out. According to the rules, I can't interfere with his affairs, right?"
Yatu still hesitated and did not reply to the Ya clan leader.

"You are his father, why can't you interfere in his affairs? Rules are dead, but you are alive, right? Find a way to go immediately!" Chief Yatu knew that Yatu was a slippery man, so he didn't talk nonsense to him. Give him the order directly.

"If you can't handle this matter, you'll be like Ya Molian in the future. You can look for the genealogy by yourself. Your family won't be left in the genealogy in my hand!"

"You... Chief Ya, how could you do this?" Ya Tu was stunned when he heard what he said.

Isn't it okay if he doesn't talk about this? He actually used the family tree to threaten people. If their family is expelled from the family tree, what will they do in the future? This is definitely not possible.
